7. AUTHORITY FOR THE BUYBACK

The Buyback is in accordance with the provisions contained in the Article 32 of the Articles of Association of the Company, Section 68, 69 and 70 and all other applicable provisions, if any, of the Companies Act, 2013 as amended ("**Companies Act**"), the Companies (Share Capital and Debentures) Rules, 2014 as amended ("**Share Capital Rules**") and in compliance with the Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018, (the "**Buyback Regulations**") including any amendments, statutory modifications or re-enactments thereof, and such other approvals, permissions and sanctions, as may be required, from time to time, from the stock exchanges where the equity shares of the Company are listed and from any other statutory and /or regulatory authority, as may be required and which may be agreed to by the Board and/ or any other committee thereof.

The Board of Directors at their meeting on August 11, 2022 passed a resolution approving Buyback of Equity Shares of the Company.

Since the Buyback is more than 10% of the total paid-up equity capital and free reserves of the Company, in terms of Section 68(2)(b) of the Companies Act, 2013, as amended, the Board had sought the approval of the Company's shareholders for the Buyback by way of a notice of postal ballot dated August 11, 2022 ("**Postal Ballot Notice**"). The shareholders of the Company approved the Buyback on September 14, 2022 ("**Shareholders' Resolution Date**") through a special resolution passed by way of Postal Ballot by voting through electronic means, the results of which were announced on September 15, 2022 ("**Shareholders' Approval**").

8. NECESSITY OF THE BUYBACK

Share Buyback is the acquisition by a Company of its own shares. The objective is to return surplus cash to the shareholders holding equity shares of the Company. The Board at its meeting held on August 11, 2022, considered all relevant factors, including the strategic and operational cash requirements in the medium term, present debt to equity ratio of the Company, the increase in accumulated free reserves and considering these, the Board decided to allocate a sum of Rs. 28,00,00,000/- (Rupees Twenty Eight Crores only) for distributing to the shareholders holding equity shares of the Company through the Buyback.

After considering several factors and benefits to the shareholders holding equity shares of the Company, the Board decided to recommend Buyback of not exceeding 1,00,00,000 (One Crore Only) equity shares (representing 4.50% of the total number of shares in the present paid-up equity share capital of the Company) at a price of Rs. 28/- (Rupees Twenty Eight only) per equity share for an aggregate consideration of Rs. 28,00,00,000/- (Rupees Twenty Eight Crores only).

The shareholders of the Company approved the Buyback on September 14, 2022 through a special resolution passed by way of Postal Ballot by voting through electronic means, the results of which were announced on September 15, 2022.

Buyback is a more efficient form of distributing surplus cash to the shareholders holding equity shares of the Company, inter-alia, for the following reasons:

- (i). The Buyback will help the Company to distribute surplus cash to its shareholders holding equity shares broadly in proportion to their shareholding, thereby, enhancing the overall return to shareholders;
- (ii). The Buyback, which is being implemented through the Tender Offer route as prescribed under the Buyback Regulations, would involve allocation of 15% of the outlay to small shareholders. The Company believes that this reservation of 15% for small shareholders would benefit public shareholders, who would get classified as "Small Shareholder";
- (iii). The Buyback would help in improving return on equity, by reduction in the equity base, thereby leading to long term increase in shareholders' value;
- (iv). The Buyback gives an option to the shareholders holding equity shares of the Company, who can choose to participate and get cash in lieu of equity shares to be accepted under the Buyback Offer or they may choose to not participate and enjoy a resultant increase in their percentage shareholding, post the Buyback Offer, without additional investment;
- (v). The Buyback will help in optimizing the capital structure.

9. MANAGEMENT DISCUSSION AND ANALYSIS OF THE LIKELY IMPACT OF THE BUYBACK ON THE COMPANY

9.1 The Company believes that the Buyback is not likely to cause any material impact on the profitability/earnings of the Company except a reduction in the investment income, which the Company could have otherwise earned on the amount distributed towards Buyback. Assuming there is full response to the buyback, the funds deployed by the Buyback would be Rs. 28,00,00,000/- (Rupees Twenty Eight Crores only). This shall impact the investment Income earned by the Company, on account of the reduced amount of funds available for investments.

- 9.2 The buyback will not in any manner impair the ability of the Company in meeting to pursue growth opportunities or meet its cash requirements for business operations.
- 9.3 In terms of the Buyback Regulations, under the tender offer, the Promoter and Persons in Control have the option to participate in the Buyback. In this regard, the Promoter and Persons in Control vide their letters dated August 11, 2022 have expressed their intention to tender Equity Shares in the Buyback.

9.4 Maximum number of Equity Shares to be tendered by the Promoter and Persons in Control are as under:

19 PROCESS AND METHODOLOGY FOR THE BUYBACK

- 19.1 The Company proposes to Buyback not exceeding 1,00,00,000 Equity shares of the Company from all the existing shareholders/beneficial owners of Equity shares of the Company, on a proportionate basis, through the Tender Offer route, at a price of Rs. 28/- per equity share for an aggregate amount of Rs. 28,00,00,000 (Rupees Twenty Eight Crores only). The maximum number of Equity shares proposed to be bought back represents 4.50% of the present outstanding equity shares of the Company. The Buyback is in accordance with the provisions contained in the Article 32 of the Articles of Association of the Company, Section 68, 69 and 70 and all other applicable provisions, if any, of the Companies Act, 2013 (the “**Companies Act**”), the Companies (Share Capital and Debentures) Rules, 2014 (hereinafter referred to as the “**Share Capital Rules**”) and in compliance with the Securities and Exchange Board of India (Buy-back of Securities) Regulations 2018, as amended (the “**Buyback Regulations**”). The aggregate Buyback Offer size represents 24.56% of the aggregate of the paid up equity share capital and free reserves as per the audited financial statements of the Company for the financial year ended 31st March, 2022.

19.2 The aggregate shareholding of the Promoter Group/ Persons in Control is 11,52,67,649 equity shares which represents 51.89% of the existing equity share capital of the Company. In terms of the buyback regulations, under the Tender Offer Route the Promoters and Persons in Control of the Company have the option to participate in the proposed buyback. In this regard, the Promoter and Persons in Control have expressed their intention vide their letters dated August 11, 2022 to participate in the Buyback

19.3 Assuming response to the Buyback is to the extent of 100% (full acceptance) from all the Equity Shareholders upto their entitlement, the aggregate shareholding of the Promoter Group/Persons in Control, post Buyback will be 51.96% and the aggregate shareholding of the Public in the Company shall be 48.04% (Post Buyback shareholding).

19.4 Record Date, ratio of Buyback and entitlement of each shareholder.

- a. The Board of Directors have fixed September 27, 2022 as the Record Date for the purpose of determining the entitlement and the names of the shareholders who are eligible to participate in the Buyback offer.
- b. The equity shares proposed to be bought back shall be divided into two categories:
 - Reserved category for small shareholders (“**Reserved Category**”).
 - General category for all shareholders other than small shareholders (“**General Category**”).
- c. As defined in the Buyback Regulations, a “small shareholder” is a shareholder who holds equity shares whose market value, on the basis of closing price on the recognized stock exchange registering the highest trading volume, as on Record Date, is not more than Rs. 2,00,000/- (Rupees Two Lakhs only). As on Record Date i.e., September 27, 2022, the volume of Shares traded on NSE was 4,63,116 Shares and on BSE was 78,297 Shares. Accordingly, NSE being the stock exchange with highest turnover, the closing price was Rs. 23.55 and hence all Shareholders holding not more than 8,492 Equity Shares as on the Record Date are classified as ‘Small Shareholders’ for the purpose of the Buyback Offer.
- d. Based on the above definition, there are 73,614 Small shareholders with aggregate shareholding of 2,51,60,098 shares as on the Record Date, which constitutes 11.32% of outstanding paid up equity share capital of the company and 251.60% of the equity shares which the Company proposes to Buyback as a part of this Buyback Offer.
- e. In compliance with Regulation 6 of the Buyback Regulations, the reservation for small shareholders will be equity shares which are higher of:
 - 15% of the number of equity shares which the company proposes to buyback i.e., 15% of 1,00,00,000 Equity shares which works out to 15,00,000 Equity shares;
 - The number of Equity shares entitled as per their holding as on the Record Date (i.e., $(2,51,60,098 / 22,21,72,990) \times 1,00,00,000$) which is 11,32,455 equity shares.

Hence, out of the total buyback size of 1,00,00,000 Equity shares, 15,00,000 Equity shares shall be reserved for the small shareholders

- f. Accordingly, General Category shall consist of 85,00,000 Equity shares.
- g. Based on the above the entitlement ratio of Buyback for both categories is decided as below:

Category	Entitlement ratio of buyback
Reserved Category from small shareholders	50 equity shares out of every 839 fully paid up equity shares as on record date i.e., September 27, 2022
General Category	104 equity shares out of every 2,413 fully paid up equity shares as on record date i.e., September 27, 2022

*** The above ratio of Buyback is approximate and provides an indicative Buyback Entitlement. Any computation of entitled Equity Shares using the above ratio may provide a slightly different number due to rounding off. The actual Buyback Entitlement for Reserved Category for Small Shareholders is 5.959475566% and General Category for all other than eligible Shareholders is 4.309987567%.**

19.5 Fractional Entitlement

If the entitlement under Buyback, after applying the abovementioned ratios to the Equity Shares held on Record Date, is not a round number (i.e. not in the multiple of 1 Equity Share) then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buyback Offer, for both categories of Shareholders.

On account of ignoring the fractional entitlement, those small shareholders who hold 16 or less equity shares as on Record Date, will be dispatched a Tender Form with zero entitlement. Such Small Shareholders are entitled to tender additional Equity Shares as part of the Buyback Offer and will be given preference in the Acceptance of one Equity Share, if such Small Shareholders have tendered for additional Equity Shares.

19.6 Basis of acceptance of equity shares validly tendered in the Reserved Category

Subject to the provisions contained in this Letter of Offer, the Company will accept the Shares tendered in the Buyback Offer by the Small Shareholders in the Reserved Category in the following order of priority:

- a) Full acceptance of Shares from Small Shareholders in the Reserved Category who have validly tendered their Shares, to the extent of their Buyback Entitlement, or the number of Shares tendered by them, whichever is less.
- b) Post the acceptance as described in paragraph 19.6 (a), in case, there are any Shares left to be bought back in the Reserved Category, the Small Shareholders who were entitled to tender zero Shares (on account of ignoring the fractional entitlement), and have tendered Additional Shares, shall be given preference and one Equity Share each from the Additional Shares tendered by these Small Shareholders shall be bought back in the Reserved Category.
- c) Post the acceptance as described in paragraph 19.6 (a) and (b), in case there are any validly tendered unaccepted shares in the Reserved Category ("**Reserved Category Additional Shares**") and shares left to be bought back in the Reserved Category, the Reserved Category Additional Shares shall be accepted in a proportionate manner and the acceptances shall be made in accordance with the Buyback Regulations, i.e. valid acceptances per Shareholder shall be equal to the Reserved Category Additional Shares by the Shareholder divided by the total Reserved Category Additional Shares and multiplied by the total number of Shares remaining to be bought back in Reserved Category. For the purpose of this calculation, the Reserved Category Additional Shares taken into account for such Small Shareholders, from whom one Equity Share has been accepted in accordance with paragraph 19.6 (b), shall be reduced by one.
- d) Adjustment for Fractional results in case of proportionate acceptance, as described in Paragraph 19.6 (c), will be made as follows:
 - For any shareholder, if the number of additional shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - For any shareholder, if the number of additional shares to be accepted, calculated on a proportionate basis is not in the multiples of 1 and the Fractional acceptance is less than 0.50, then the Fraction shall be ignored.

19.7 Basis of acceptance of equity shares validly tendered in the General Category

Subject to the provisions contained in this Letter of Offer, the Company will accept the shares tendered in the Buyback Offer by shareholders (other than the small shareholders) in the General category in the following order of priority:

- a. Full acceptance of shares from shareholders in the General Category who have validly tendered their shares, to the extent of their Buyback entitlement, or the number of shares tendered by them, whichever is less.
- b. Post the acceptance as described in paragraph 19.7(a), in case there are any validly tendered unaccepted shares in the General Category ("**General Category Additional Shares**") and shares left to be bought back in General Category, the General Category shares will be accepted in a proportionate manner and the acceptances shall be made in accordance with Buyback Regulations, i.e., valid acceptances per shareholders shall be equal to General Category additional shares by the shareholders

divided by the total General Category Additional shares and multiplied by the total number of additional shares remaining to be bought back in the General Category.

- c. Adjustment for Fractional Results in case of proportionate acceptance as described in paragraph 19.7(b) will be made as follows:
- For any shareholder, if the number of additional shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to next higher integer.
 - For any shareholder, if the number of additional shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is less than equal to 0.50, then the fraction shall be ignored.

19.8 Basis of acceptance of equity shares between the two Categories

- a. After acceptance of tenders, as mentioned in paragraph 19.6 and 19.7, in case there are any shares left to be bought back in one category ("**Partially Filled Category**") and there are additional unaccepted validly tendered shares ("**Further Additional Shares**") in the second category ("**Over Tendered Category**"), then the further additional shares in the over tendered category shall be accepted in a proportionate manner i.e., valid acceptances per shareholder shall be equal to further additional shares validly tendered by the shareholder in the over tendered category divided by the total further additional shares in the over tendered category and multiplied by the total shares left to be bought back in the partially filled category.
- b. If the Partially Filled Category is the General Category and the Over Tendered Category is the Reserved Category, then any Small Shareholder who has received a Tender Form with zero Buyback Entitlement and who has tendered Additional Shares shall be eligible for priority acceptance of one Equity Share before acceptance in paragraph 19.8(a) out of the Shares left to be bought back in the Partially Filled Category provided no acceptance could take place from such Shareholder in accordance with paragraph 19.6.
- c. Adjustment for Fractional Results in case of proportionate acceptance as described in paragraph 19.8(b) will be made as follows:
- For any shareholder, if the number of additional shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to next higher integer.
 - For any shareholder, if the number of additional shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is less than equal to 0.50, then the fraction shall be ignored.

19.9 For avoidance of doubt, it is clarified that:

- a) the Equity Shares Accepted under the Buyback from each Eligible Shareholder, in accordance with paragraphs above, shall not exceed the number of Equity Shares tendered by the respective Eligible Shareholder;
- b) the Equity Shares Accepted under the Buyback from each Eligible Shareholder, in accordance with paragraphs above, shall not exceed the number of Equity Shares held by respective Eligible Shareholder as on the Record Date; and
- c) the Equity Shares tendered by any Eligible Shareholder over and above the number of Equity Shares held by such Eligible Shareholder as on the Record Date shall not be considered for the purpose of Acceptance in accordance with the paragraphs above.

19.10 Clubbing of Entitlements

In order to ensure that the same Eligible Shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Company proposes to club together the Equity Shares held by such Eligible Shareholders with a common PAN for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical and where the PANs of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the name of joint shareholders are identical. In case of Eligible Shareholders holding physical shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buyback will check the sequence of the names of the joint holders and club together the

Further, as per the provisions of the Income Tax Act, the non-resident can avail the beneficial provisions of the Double Taxation Avoidance Agreements (DTAA) between India and the respective jurisdiction of the shareholder subject to meeting relevant conditions and providing and maintaining necessary information and documents as prescribed under the Income Tax Act.

The summary of direct tax implications on buyback of equity shares listed on the stock exchanges in India is set out below.
