As an ode to this indomitable spirit, this annual report celebrates a year of overcoming challenges and thriving against all odds, seizing new opportunities for growth.

Message from the Managing Director's Desk

Dear Shareholders,

I am pleased to present this year's annual report, which outlines our Company's journey through a challenging yet transformative year. We faced several obstacles that tested our resilience and adaptability, but we also seized opportunities that propelled us forward.

Macroeconomic View

The Indian economy has stood its ground amid global inflationary headwinds in FY 22-23. As per the National Statistical Office, India registered an impressive 7.2% GDP growth rate in FY 22-23 despite turbulent international conditions, marked by geopolitical tensions and supply chain disruptions. This further strengthens the country's position as one of the world's fastest-growing major economies, emerging as a bright spot with its economic performance at a time when many countries around the world are struggling with high inflation and sluggish growth. The steady expansion of the Indian economy underscores its strong fundamentals and policy actions that have provided stability during global volatility.

Fortitude in the Face of Challenges

During the year, we encountered significant challenges that put our fortitude and resourcefulness to test. The primary hurdle came in the form of power scarcity from the state grid, causing considerable difficulties in sustaining and operating at an optimal level. This scarcity originated from the state's power deficiency, severely constraining our ability to support our operations adequately. Moreover, the need to set up a new incoming power transformer for the third furnace added further complexity to our infrastructure setup, compounding the challenges we faced. In addition to that over supply by China in International market also affected price and demand. Despite these obstacles, our team's relentless efforts and strategic decision-making enabled us to navigate these testing times and position our Company for future growth.

As the Covid-19 pandemic gradually subsided globally, the initial surge in steel demand moderated as infrastructure projects adjusted to a post-Covid-19 pandemic environment. With inflation rising across major economies, central banks increased interest rates to curb high inflation. This, in turn, led to an increase in the cost of borrowing for infrastructure projects. Since steel demand is primarily driven by infrastructure development, the higher borrowing costs resulted in some moderation from the strong post-reopening demand. Recognising this shift, we implemented adjustments to our steel business strategy, aligning operations to the changing on-ground realities.

Seizing Opportunities and Delivering Excellence

Overcoming the challenges that beset us during the year demanded a concerted and innovative approach. By optimising power utilisation and exploring alternative sources, we mitigated the impact of power scarcity. Simultaneously, we streamlined the new transformer setup, enhancing infrastructure efficiency. Monitoring market dynamics enabled us to navigate volatile commodity prices with timely material decisions, outperforming competitors. Our dedicated team's collective efforts and prudent choices empowered us to triumph over adversity, positioning us for a promising future.

Financial Performance

We have recorded revenue from operations at ₹ 1,809.88 Mn in FY 22-23, which was ₹ 2,073.64 Mn in FY 21-22. Net profits and net profit margin stood at ₹ 266.38 Mn and 14.72% as opposed to ₹ 568.64 Mn and 27.42%, respectively in FY 21-22. Despite there being a decline in the results, we have successfully managed to maintain production stability, highlighting our Company's resilience even during challenging business environments. Moreover, we continue to be on a sound financial footing and have even outperformed many industry peers amid ferro alloys headwinds. Our endurance and seize-the-moment agility have further strengthened our position. By leveraging our expertise and capitalising on India's economic optimism, we are poised for a promising future and ready to embrace emerging opportunities. We are committed to sustaining our journey through prudent analysis and pointed decision-making, with our financials underscoring the need of consistently evaluating business scenarios to make astute decisions that propel our Company forward.

Conclusion

I express my heartfelt gratitude to all our employees, whose firm dedication has been instrumental in building a strong and adaptable organisation. Additionally, I am deeply thankful to our valued stakeholders for their unrelenting support over the years, and I am optimistic about their continued backing as we embark on our journey to elevate our Company to new and greater accomplishments.

With warm regards,

Aditya Vimalkumar Agrawal

FERRO ALLOYS BUSINESS - INDUSTRY AT A GLANCE

With the increase in domestic steel demand, India continues to be a major producer of steel. During the calendar year 2022 India produced 124.5 mn tons of crude steel and 117.8 mn tons of finished steel.

At present, crude steel capacity in India is 154 mn tons per annum. The Indian steel sector roughly contributes around 2% to India's GDP.

Indian steel industry faced various challenges during the year 2022. In view of Russian Ukraine war, price of coking coal increased abruptly therefore, for meeting the requirements the Indian producers' imported coal from Australia, Indonesia, Canada and South Africa etc., which has led to increase of cost of production. Moreover, Government had imposed export duty on steel which had adversely affected export of steel, however Govt. of India removed the export duty on steel in end of 2022, which gave a deep sigh of relief to the exporter.

Policy of the Govt. of India helping the steel industry. The Govt. of India introduced various projects and schemes to give impetus to the steel industry like 'Production linked Scheme'.

In view of Government's budget allocation for infrastructure development it is expected that during the Financial Year 2023-24 there will be robust domestic demand growth of around 7%. Construction, real estate and automobile sectors are major contributor for the steel industry.

Ferro alloys are alloys of iron that contain a high percentage of one or more other elements, such as manganese, chromium, or silicon. It has uses in stainless steel production, cast iron production and as additives in the production of other alloys. Stainless steel contains a high proportion of chromium, which is an important ingredient in ferro alloys.

Global ferro alloys market is looking very optimistic and is expected to register a CAGR of 5.2% during 2022-2025. China has the largest market in ferro alloys and accounting for over 35%. Other major markets in the region include India, Japan, South Korea, and Taiwan.

The Financial Year 2022-23 was a year of mixed opinions and performances for the domestic steel industry. Russia-Ukraine war definitely affected global steel industry. The global steel prices slashed down which affected domestic prices also and on the other hand, there was a high rise of input materials.

Country has identified new reserves for coking coal which will help the manufacturers to reduce import of coal and thus will reduce production cost.

India continues for its economic recovery which is looking optimistic about the future despite a challenging year. Another factor driving market growth is the increasing use of ferro alloys in non-steel applications. Overall, the future outlook for the global ferro alloys market is positive. The

DIRECTORS' REPORT & MANAGEMENT DISCUSSION ANALYSIS (Contd.)

market is expected to grow steadily in the coming years, driven by increasing demand from various industries.

During the year under review, your Company has sold 14,981 MT. of Ferro Silicon as against 14,546 MT. recorded in previous year. Your Company produced 14,967 MT. of Ferro Silicon during the year under review as against 14,955 MT. recorded in the Financial Year 2021-22. During the year there was an instance of furnace breakdown for a limited period of time for which the production was affected, however in the fourth quarter the production increased considerably due to functionality of the 3rd furnace. While your Company constantly strives to increase stakeholder's value, emphasis continues to be on delivering value to customers and strengthening processes while driving sustainable practices, resulting into expanding customer base.

POWER BUSINESS

During the year under review, your Company focused on purchasing power from MPDCL, therefore has not generated any power like previous year.

OPPORTUNITIES & THREATS, RISKS AND CONCERNS

Ferro silicon market depends on demand from steel and stainless steel market. Continuous support from the Government by way of introducing various policies like National Steel Policy, 'Make in India' and other budgetary support for development of infrastructure sectors helped the ferro alloys industry to grow.

Performance of the Company depends on the continued demand of our products in the steel and stainless-steel industry. Ferro Silicon market in India is subdued for quite a period of time. Highest consumption of Ferro Silicon seen in Stainless Steel Sector followed by Mild Steel Sector. Government's various initiatives to liberalise industrial policy, approval of National Steel policy and policy on 'Make in India' and other infrastructural initiatives taken are expected to push the demand of ferro silicon.

Challenges being faced by the domestic companies due to short availability of raw materials and very high-power cost, lack of infrastructural facilities for easy transportation of raw materials to the location affects the sector. Policy of the Government, regulatory changes and force majeure events may also affect the development of domestic industry.

Despite all threats, Indian Ferro alloys industry has tremendous growth prospect due to low per capital steel production, rapid industrialisation, urbanisation, infrastructural development, thriving automobile and railway sectors and other Government initiatives. The Company has evolved a risk management framework to identify, assess and mitigate the key risk factors of the business. The Board of the Company is kept informed about the risk management of the Company.

PERFORMANCE AND OPERATIONS REVIEW

During the year under review, on a full year basis, the Company has posted total revenue of ₹ 18,819.23 Lakhs and Profit before Tax of ₹ 3,666.41 Lakhs in Financial Year 22-23 as against ₹ 21,250.46 Lakhs and ₹ 7,638.21 Lakhs respectively during the previous financial year. Your Company produced 14,967 MT. of Ferro Silicon during the year under review as against 14,955 MT recorded in the Financial Year 2021-22.

FINANCIAL STATEMENT

INDEPENDENT AUDITORS' REPORT

To the Members of **Shyam Century Ferrous Limited**

Report on the Audit of the financial statements

OPINION

1. We have audited the accompanying financial statements of Shyam Century Ferrous Limited ("the Company"), which comprise the Balance sheet as at 31 March 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, its profit and other comprehensive income, changes in equity and cash flows for the year then ended.

BASIS FOR OPINION

3. We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the relevant provisions of the Act and Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

KEY AUDIT MATTERS

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters:

1	<p>Revenue Recognition</p> <p>(Refer Note no. 25 to the Financial Statements and Note 1.17 (A) of the significant accounting policies of the Financial Statements).</p> <p>The Company recognizes revenues when the Company performs its obligation and control of the goods is transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods. Delivery occurs when the product has been dispatched to the specific location and the risk of obsolescence / loss has been transferred and there is no unfulfilled obligation that could affect the buyer's acceptance of the product as per the terms of the contract and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods.</p>	<p>Our principal audit procedures to assess the appropriateness of revenue recognised included:</p> <ul style="list-style-type: none"> • Obtaining an understanding of and assessing the design, implementation and operating effectiveness of the Company's key internal controls over the revenue recognition process. • Assessment of the compliance of the Company's revenue recognition accounting policies against the requirements of Ind AS 115 "Revenue from Contracts with Customers" to identify any inappropriate policy. • End to end checking of sample sales transaction and tracing the same to sales order, invoices, customers' lorry receipts and collection from debtors to determine whether these were recorded appropriately. • Read, analyzed and identified the distinct performance obligations in selected sample contracts. • Obtained management's calculations for discounts and rebates.

	<p>Revenue is recognised based on the price and as per terms specified in the contracts, net of the estimated volume discounts. Revenue is only recognised to the extent that it is highly probable that a significant reversal will not occur.</p> <p>The terms of sales arrangements, including the timing of transfer of control, the nature of discount and rebates arrangements and delivery specifications, create complexity and judgment in determining sales revenues and accordingly, it was determined to be a key audit matter in our audit of the financial statements of the Company</p>	<ul style="list-style-type: none"> • Examination of significant contracts entered into close to year end to ensure revenue recognition is made in the correct period. <p>Our testing as described above showed that revenue has been recorded in accordance with the terms of applicable contracts and accounting policy in this area.</p>
2.	<p>Impairment assessment of Captive Power Plant (Note 1.4 of the significant accounting policies of the Financial Statements).</p> <p>The Company has a material operational asset, Captive Power Plant (CPP) relating to generation of power.</p> <p>The CPP has been non-operational for a substantial period of time and the Company is meeting its power requirements from Meghalaya Power Distribution Corporation Limited.</p> <p>As at 31 March, 2023, the carrying amount of all assets related to the CPP stands at Rs. 671 lakhs out of total PPE of Rs. 2026 lakhs.</p> <p>The Company assesses at the end of each reporting period whether there is any indication that the Property, Plant & Equipment (PPE) may be impaired by considering internal and external sources of information. The management assesses recoverable amount of each of the assets where such indications exist, based on higher of fair value less cost to sell and value in use. The fair value of an asset is estimated based on the valuation provided by external professional valuers which is based on the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date.</p> <p>The 'value in use' is determined by discounting estimated future cash flows expected to be derived from an asset or cash-generating unit.</p> <p>We considered this as a key audit matter as the carrying value of PPE requires impairment assessment based on the future expected cash flows / recoverable value associated with the power plant (Cash generating unit).</p>	<p>Our principal audit procedures to assess the appropriateness of provisions and adequacy of disclosures included:</p> <ul style="list-style-type: none"> • Obtaining a detailed understanding of key controls and processes with regard to identification of impairment indications and assessment of recoverable amounts of the assets where such indications exist, and testing operating effectiveness of such controls. • Obtaining an understanding of the circumstances and reasons for the CPP's inoperability, including discussions with management and relevant personnel. • Examining the valuation of the net block of the CPP as of 31 March, 2023, including reviewing the basis for determining the carrying amount and assessing its reasonableness. • Evaluating the Company's process of impairment assessment involving registered valuation experts to assist in assessing the appropriateness of the impairment model including an independent review of their methodology, assumptions, and calculations. • Based on the valuation done by the management's expert, the recoverable value of CPP, being Rs. 764.47 lakhs is more than its book value as at 31 March, 2023 and hence there is no impairment. <p>On the basis of the above procedures performed, we considered the management's assessment of not considering any impairment in respect of its CPP as adequate and reasonable.</p>

3	<p>Litigation, Claims and Contingent Liabilities</p> <p>(Refer Note no. 42 to the Financial Statements and Note 1.21 of the significant accounting policies of the Financial Statements).</p> <p>The Company is subject to certain legal, regulatory and tax cases for which final outcome cannot be easily predicted and which could potentially result in significant liabilities. The Company's management has assessed that the probability of success of the demand is remote and accordingly has not provided for the disputed demands.</p> <p>The assessment of whether a liability is recognized as a provision or disclosed as a contingent liability in the financial statements is inherently subjective and requires significant management judgement in determination of the cash outflows from the business, interpretation of applicable laws and regulations and careful examination of pending assessments at various levels of regulatory authorities. These estimates could change significantly over time as new facts emerge and each legal case progresses.</p> <p>This has been considered a key audit matter in view of the uncertain outcome of the litigations and involvement of significant management interpretations and judgement in assessing the probability of outflow of economic resources.</p>	<p>Our principal audit procedures to assess the appropriateness of provisions and adequacy of disclosures included:</p> <ul style="list-style-type: none"> • Reviewing the outstanding litigations against the Company for consistency with the previous years. Enquiring and obtaining explanations for movement during the year. • Gained an understanding of outstanding litigations against the Company from the Company's in-house legal counsel and other key managerial personnel who have knowledge of these matters. • Reading the latest correspondence between the Company and the various tax/legal authorities and considered legal opinion obtained by the Company from legal counsel. • Examining the Company's legal expenses and reading the minutes of the board meetings, in order to ensure all cases have been identified. • With respect to tax matters, discussing with the Company's tax officers, their views and strategies on significant cases, as well as the related technical grounds relating to their conclusions based on applicable tax laws. • Considering the adequacy and completeness of the Company's disclosures with regard to those matters where management concluded that no provisions should be recorded. <p>On the basis of the above procedures performed, we considered the management's assessment in respect of contingencies and provision for taxes and other litigations and claims to be reasonable and disclosures to be appropriate.</p>

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion & Analysis, and Report on Corporate Governance, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or

our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE FINANCIAL STATEMENTS

6. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of the financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally

INDEPENDENT AUDITORS' REPORT (Contd.)

accepted in India, including the Indian Accounting Standards specified under section 133 of the Act, read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls with reference to financial statements that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

7. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to financial Statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 12. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial

INDEPENDENT AUDITORS' REPORT (Contd.)

statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

13. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
14. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with relevant rules issued thereunder.
 - (e) On the basis of the written representations received from the directors as on 31 March 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" wherein we have expressed an unmodified opinion.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our

information and according to the explanations given to us:

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in Paragraph -13 under the heading "Report on Other Legal and Regulatory Requirements" of our Independent Auditors' Report of even date.)

- i. (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Property, Plant and Equipment are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the Property, Plant and Equipment has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in Note 2 on Property, plant and equipment and Note 2.2 on Right-of-use Assets to the financial statements, are held in the name of the Company as at the balance sheet date.
- (d) The Company has not revalued its Property, Plant and Equipment (including right-of-use assets) or intangible assets or both during the year. Accordingly, reporting under clause 3(i)(d) of the Order is not applicable to the Company.
- (e) Based on the information and explanations furnished to us, no proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in its financial statements does not arise.
- ii. (a) The physical verification of inventory has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedures of such verification by Management is appropriate. The discrepancies noticed on physical verification of inventory as compared to book records were less than 10% in aggregate for each class of inventory.
- (b) The Company has not been sanctioned any working capital facility from financial institutions. The Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, at points of time during the year from banks on the basis of security of current assets. In our opinion and according to the information and explanations given to us, the quarterly returns or statements comprising stock and book debt statements, filed by the Company with such banks are materially in agreement with the unaudited books of account of the Company of the respective quarters other than those as set out below:

Name of the Bank (a)	Aggregate working capital limits sanctioned (b)	Nature of Current Asset offered as Security (c)	Quarter ended (d)	Amount disclosed as per Quarterly Return/ Statement (₹ In Lakhs) (e)	Amount as per Books of account (Rs. In Lakhs) (f)	Difference (Rs. In Lakhs) g=(e) - (f)	Reasons for difference (h)
HDFC Bank	Rs. Thirty Crores	Refer Note -1 Below	Jun'22	3,046.40	3,081.18	(34.78)	Note-2
			Sept'22	4,182.89	4,185.39	(2.5)	Note-2
			Dec'22	2,721.52	2,708.58	12.94	Note-2
			Mar'23	4,703.58	3,825.26	878.32	Note-3

Note-1: These include the Inventories and Trade Receivables net of Trade Payables.

Also refer Note 54 to the financial statements.

Note-2: As stated by the management, the difference is due to variation in stock valuation rate as valuation is based on previous month's cost sheet.

Note-3: As stated by the management, the difference is due to Impact on inventory for sales reversal wherein risk/rewards were not transferred to the customers within period end not considered in returns/statement submitted to the bank.

- iii. According to the information and explanations given to us and on the basis of our examination of the records of the

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT (Contd.)

Company, the Company has not made any investments, provided guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year. Accordingly, provisions of clauses 3(iii)(a) to 3(iii)(f) of the Order are not applicable to the Company.

- iv. According to the information and explanation given to us and based on the audit procedures conducted by us, the Company has neither granted any loans or made investments nor provided guarantees or securities in contravention of provisions of Section 185 of the Act. The Company has not made any investments or provided any guarantees or securities to the parties covered under Section 186 of the Act. In respect of loans made by the Company, the provisions of Section 186 of the Act have been complied with.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified. Accordingly, reporting under Clause (v) of the Order is not applicable to the Company.

- (b) According to the information and explanations given to us and based on the records of the Company examined by us, the particulars of statutory dues referred in sub-clause (a) above which have not been deposited on account of any dispute are as follows:

Name of the Statute	Nature of dues	Amount (Rs. in lakhs)	Period to which the amount relates	Forum where the dispute is pending
Mines and Minerals Development and Regulation Act, Goods and Service tax & Value-Added tax Act	Royalty, MEPRF, GST/ VAT	2,184.80	2014-15 to 2018-19	National Green Tribunal
The Central Excise Act, 1944	Excise Duty	112.04	July 2004 – March 2013	Supreme Court
Income-tax Act, 1961	Demand Payable	20.21	A.Y. 2018-19 & A.Y. 2021-22	National Faceless Assessment Centre (NFAC), Delhi

- viii. According to the records of the Company examined by us and the information and explanation given to us, there were no transactions surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) which were previously not recorded in the books of account. Accordingly, reporting under Clause 3(viii) of the Order is not applicable to the Company.
- ix. (a) According to the Company information and explanations given to us and the records of the Company examined by us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the year.

- vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products. We have broadly reviewed the same and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing the undisputed statutory dues, including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues, as applicable, with the appropriate authorities. There were no undisputed amounts payable in respect of the aforesaid statutory dues in arrears as at 31 March, 2023 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a willful defaulter by any bank or financial institution or government or government authority.
- (c) In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of term loans during the year and did not have any term loans outstanding at the beginning of the current year. Accordingly, reporting under clause 3(ix) (c) of the Order is not applicable to the Company.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT (Contd.)

- (d) According to the information and explanations given to us and on an overall examination of the financial statement of the company, funds raised on short-term basis have not been used for long-term purposes by the Company.
- (e) During the year ended 31 March, 2023, the Company did not have any subsidiaries, associates or joint ventures as defined under the Act. Accordingly, reporting under clause 3(ix) (e) of the Order is not applicable to the Company.
- (f) During the year ended 31 March, 2023, the Company did not have any subsidiaries, associates or joint ventures as defined under the Act. Accordingly, reporting under clause 3(ix) (f) of the Order is not applicable to the Company.
- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, reporting under Clause 3(x)(a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, reporting under Clause 3(x) (b) of the Order is not applicable to the Company.
- xi. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, carried out in accordance with the generally accepted auditing practices in India, a report under Section 143 (12) of the Act, in Form ADT-4, as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed by us with the Central Government, during the year and up to the date of this Report. Further, as informed by the Company, the Cost Auditor as well as the Secretarial Auditor of the Company have not filed any report under Section 143(12) of the Act with the Central Government in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014, during the year and up to the date of this report. Accordingly, reporting under Clause 3(xi) (b) of the Order is not applicable to the Company.
- (c) According to the information and explanations given to us, there were no whistle blower complaints received during the year by the Company.
- xii. The Company is not a Nidhi Company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii)(a) (b) & (c) of the Order is not applicable to the Company.
- xiii. In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Sections 177 and 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the notes to the financial statements as required under Indian Accounting Standard (Ind AS) 24 "Related Party Disclosures" specified under Section 133 of the Act.
- xiv. (a) In our opinion and according to the information and explanation given to us, the Company has an internal audit system commensurate with the size and nature of its business during the year; and
- (b) The reports of the Internal Auditor for the period under audit have been considered by us.
- xv. In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its Directors or persons connected with them. Accordingly, reporting on compliance with the provisions of Section 192 of the Act under Clause 3(xv) of the Order is not applicable to the Company.
- xvi. (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
- (b) The Company has not conducted any non-banking financial / housing finance activities during the year. Accordingly, reporting under Clause 3(xvi) (b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, reporting under Clause 3(xvi)(c) of the Order is not applicable to the Company.
- (d) According to the information and explanations provided to us during the course of audit, the Group (as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016) does not have any CIC.
- xvii. The Company has not incurred any cash losses in the current financial year and in the immediately preceding financial year.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT (Contd.)

- xviii. There has been no resignation of the statutory auditors during the year and accordingly the reporting under Clause 3(xviii) of the Order is not applicable to the Company.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all the liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. (a) The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there are no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of subsection (6) of section 135 of the said Act. Accordingly, reporting under clause 3 (xx) (a) of the Order is not applicable to the Company for the year.
- (b) In our opinion and according to the information and explanations given to us, in respect of other than ongoing projects, there are no unspent amounts that are required to be transferred to a fund specified in Schedule VII of the Companies Act (the Act), in compliance with second proviso to sub section 5 of section 135 of the Act.
- xxi. The reporting under Clause 3(xx) of the Order is not applicable in respect of audit of financial statements. Accordingly, no comment in respect of the said clause has been included in this report.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in Paragraph 14(f) under the heading "Report on Other Legal and Regulatory Requirements" of our Independent Auditors' report of even date)

REPORT ON THE INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE FINANCIAL STATEMENTS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013(" THE ACT")

We have audited the Internal Financial Controls with reference to the financial statements of Shyam Century Ferrous Limited ("the Company") as at 31 March, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to Financial Reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls with reference to these financial statements included obtaining an understanding of internal financial controls with reference to these financial statements, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to the these financial statements.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial statements includes those policies and procedures that: (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisation of the management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management, override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT (Contd.)

internal financial control with respect to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31 March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control

stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2023

Corporate Information

Shyam Century Ferrous Limited (the Company) is a public company domiciled in India and incorporated on 12th April, 2011 under the provisions of the Companies Act, 1956. Its shares are listed on National Stock Exchange and Bombay Stock Exchange in India. The Company is engaged in manufacturing of Ferro Alloys and generation of Power. The manufacturing unit is located at Byrnihat, Meghalaya. The Company is selling its product across India.

1. SIGNIFICANT ACCOUNTING POLICIES

1.1 Basis of Preparation

(i) Compliance with Ind AS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015, amendments thereto and other relevant provisions of the Act.

These financial statements were approved for issue in accordance with the resolution of the Board of Directors on 19th May, 2023.

The accounting policies are consistently followed by the Company and changes in accounting policy are separately disclosed.

(ii) Historical Cost Convention

The financial statements have been prepared on a historical cost basis, except for the following:

- Net defined benefit asset/liability which is fair value of plan assets less present value of defined benefit obligations
- Certain financial assets and financial liabilities that are measured at fair value.

(iii) Current and non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

(iv) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

1.2 Use of Estimates and critical accounting judgements

The preparation of financial statements is in conformity with generally accepted accounting principles which requires management to make estimates and assumptions that affect the reported amounts of assets

and liabilities and disclosure of contingent liabilities as at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future period. Revisions in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are summarised below:

- (i) Classification of legal matters and tax litigation (refer note 42)
- (ii) Defined benefit obligations (refer note 35)
- (iii) Useful life of property, plant and equipment (refer note 2)
- (iv) Lease Accounting as per Ind AS 116 (refer note 2.2 & 38)
- (vii) Allowance for expected credit losses (refer note 40a(iii))
- (viii) Taxes (refer note 33)

1.3 Foreign Currency Transactions and Balances

i) Functional and presentation currency

Items reported in the financial statements are measured using the currency of the primary economic environment in which the entity operates (the functional currency). The financial statements of the Company are presented in Indian Rupee (₹) which is the functional and presentation currency of the Company.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023 (Contd.)

ii) Transactions and balances

Foreign currency transactions are translated into the functional currency at the reporting date using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction

1.4 Property, plant and equipment

Property, plant and equipment are stated at their cost of acquisition, installation or construction (net of any recoverable amount, wherever applicable) less accumulated depreciation, amortisation and impairment losses if any, except freehold land which is carried at cost. Cost comprises the purchase price, installation and attributable cost of bringing the asset to working condition for its intended use.

Subsequent expenditures are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. When significant parts of plant and equipment are required to be replaced the Company depreciates them separately based on their specific useful lives. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Capital Work in Progress

Capital work in Progress is carried at cost comprising direct cost and includes any directly attributable cost incurred during construction period.

Property, plant and equipment not ready for their intended use as on the balance sheet date are disclosed as "Capital work-in-progress". Such items are classified to the appropriate category of property, plant and equipment when completed and ready for their intended use. Advances given towards acquisition/ construction of property, plant and equipment outstanding at each balance sheet date are disclosed as Capital Advances under "Other non-current assets".

Intangible Asset

An intangible asset is recognised when it is probable that the future economic benefits that are attributable to the

asset will flow to the Company and the cost of the asset can be measured reliably. The depreciable amount of an intangible asset is allocated over its estimated useful life. Expenditure on purchased software and IT related expenditure are written off over a period of three years.

Depreciation

Depreciation on property, plant and equipment is provided on written down value method in accordance with the provisions of Schedule II to the Act, 2013 and considering the useful lives for computing depreciation specified in Part 'C', thereof. Depreciation is provided on components that have homogenous useful lives by using the WDV method so as to depreciate the initial cost down to the residual value over the estimated useful lives. Useful lives, components and residual amounts are reviewed annually.

In respect of an asset for which impairment loss is recognised, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

Impairment of non-financial assets

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal / external factors. An impairment loss will be recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to the present value by using weighted average cost of capital. A previously recognised impairment loss is further provided or reversed depending on changes in circumstances.

1.5 Research and Development Expenditure

Research expenditure is recognised as an expense when it is incurred. Development costs are capitalised only after the technical and commercial feasibility of the asset for sale or use has been established. Thereafter, all directly attributable expenditure incurred to prepare the asset for its intended use are recognised as the cost of such assets.

1.6 Lease**As a Lessee:**

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023 (Contd.)

underlying asset is available for use). Right-of-use assets are initially measured at cost. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, an estimate of costs to be incurred in dismantling and removing or restoring the underlying asset and lease payments made at or before the commencement date less any lease incentives received. After the commencement date, the Right of use assets are measured applying the Cost model. They are subsequently measured at cost, less any accumulated depreciation, adjustments for any remeasurement of the lease liabilities and impairment losses. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is re-measured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

As a Lessor:

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the Balance Sheet based on their nature.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership are transferred from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting

periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease. Operating lease payments are recognised as an income in the Statement of Profit and Loss on a straight-line basis over the lease term, unless the receipt from lessee is structured to increase in line with expected general inflation and compensate for the lessor's expected inflation cost increase.

1.7 Government Grants and subsidies

Government grants / subsidies are recognised when there is reasonable certainty that the same will be received. Revenue grants, if any, granted by way of recoupment / reimbursement of any item of expenditure are recognised in the Statement of Profit and Loss by way of deduction from related item of expenses. Grants related to assets which are recognised in the Balance Sheet as deferred income, are recognised to the Statement of Profit and Loss on a systematic basis over the useful life of the related assets by netting off with the related expense.

1.8 Inventories**Raw materials, stores and spare parts, fuel and packing material:**

Raw materials, stores and spares and fuel and packing material are valued at lower of cost or net realisable value. Cost includes purchase price, other costs incurred in bringing the inventories to their present location and condition, and taxes for which credit is not available. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on FIFO basis.

Work-in-progress and finished goods:

Work-in-progress and finished goods are valued at lower of cost or net realisable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity, but excluding borrowing costs. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

1.9 Investments and other financial assets**Classification**

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income or through profit or loss), and

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023 (Contd.)

- those measured at amortised cost

The classification depends on the Company's business model for managing the financial assets and the contractual terms of cash flows.

Measurement

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the Statement of Profit and Loss.

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its debt instruments into the following categories:

- **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in finance income using the effective interest rate method.
- **Fair value through other comprehensive income (FVOCI):** Assets that are held for collections of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Interest income from these financial assets is included in other income using the effective interest rate method.
- **Fair value through profit or loss (FVTPL):** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. Interest income from these financial assets is included in other income.

Equity instruments

The Company subsequently measures all equity investments (except subsidiary, associate and joint venture) at fair value through profit or loss. However, where the Company's management makes an irrevocable choice on initial recognition to present fair value gains and losses on specific equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to the Statement of Profit and Loss.

Impairment of financial assets

The Company measures the expected credit loss associated with its assets based on historical trend,

industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Derecognition of financial assets

A financial asset is derecognised only when

- The Company has transferred the rights to receive cash flows from the financial asset, or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset.

1.10 Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

1.11 Cash and Cash equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at bank, cash on hand, demand deposits with Banks and other short-term highly liquid investments / deposits that are readily convertible into cash which are subject to insignificant risk of changes in value with an original maturity of three months or less.

1.12 Financial liabilities

Initial recognition and measurement

The Company recognises all the financial liabilities on initial recognition at fair value minus, in the case of a financial liability not at fair value through Profit or Loss, transaction costs that are directly attributable to the acquisition or issue of the financial liability.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and financial guarantee contracts.

Subsequent measurement

All the financial liabilities are classified as subsequently measured at amortised cost, except for those measured at fair value through profit or loss.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023 (Contd.)

De-recognition of financial liabilities

The Company de-recognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

1.13 Borrowing

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the effective interest method.

Borrowings are removed from the Balance Sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in the Statement of Profit and Loss as other income or finance costs.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

1.14 Borrowing Costs

Borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset is capitalised as part of cost of such asset till such time the asset is ready for its intended use. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use. All other borrowing costs are recognised as expense in the period in which they are incurred. Borrowing cost includes exchange differences arising from relevant foreign currency borrowings to the extent that they are regarded as an adjustment to the interest cost.

1.15 Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of

recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

1.16 Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

1.17 (A) Revenue Recognition

Sales are recognised when control of the goods has been transferred. Sales are accounted when the products are delivered to the customers. Delivery occurs when the products have been shipped or delivered to the specific location as the case may be, the risks of obsolescence and loss have been transferred and either the customer has accepted the products in accordance with the sales contract or the acceptance provisions have lapsed or the Company has objective evidence that all criteria for acceptance have been satisfied

Revenue from these sales are recognised based on the price specified in the contract, which is generally fixed, net of the estimated volume discount. No element of financing is deemed present as the sales are generally made with a credit term of 30 days or against receipt of advance which is consistent with market practice. The Company does not have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, the Company is not required to adjust any of the transaction prices for the time value of money. Revenue includes consideration received or receivable but excludes Goods and Service Taxes, and are net of discounts and rebates.

A receivable is recognised when the goods are delivered as this is the point in time that the consideration is unconditional because only the passage of time is required before the payment is due.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023 (Contd.)

(B) Other Income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Dividend income is recognised when right to receive is established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

1.18 Employee benefits**(i) Short-term obligations**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

(ii) Defined Contribution Plan

Retirement benefit in the form of Provident Fund is a defined contribution scheme and is charged to the Statement of Profit and Loss for the year when the contributions to the respective funds are due.

(iii) Defined Benefit Plan

Gratuity liability, being a defined benefit obligation, is provided for on the basis of an actuarial valuation on projected unit credit method as at the date of the Balance Sheet.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the Statement of Changes in Equity and in the Balance Sheet.

(iv) Other Long-term benefits

Short term compensated absences are provided for based on estimates. Long term compensated absences are provided for based on actuarial valuation which is done as per projected unit credit method as at the date of the Balance Sheet.

1.19 Taxation

Tax expenses comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are not recognised for temporary differences between the carrying amount and tax bases of investments in subsidiaries, branches and associates and interest in joint arrangements where it is not probable that the differences will reverse in the foreseeable future and taxable profit will not be available against which the temporary difference can be utilised.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

The deferred tax in respect of temporary differences which originate during the tax holiday period and is likely to reverse during the tax holiday period, is not recognised to the extent income is subject to deduction during the tax holiday period as per the requirements of the Income Tax Act, 1961.

1.20 Earnings per Share

Basic Earnings per Share is calculated by dividing the net profit or loss for the year attributable to equity

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023 (Contd.)

shareholders (after deductible preference dividend and attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, net profit or loss for the year attributable to equity share holders and the weighted average number of shares outstanding during the year are adjusted for the effect of all dilutive potential equity shares.

1.21 Provisions and Contingencies

A Provision is recognised for a present obligation as a result of past events if it is probable that an outflow of resources will be required to settle the obligation and in respect of which a reliable estimate can be made. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense. Liabilities which are material and whose future outcome cannot be ascertained with reasonable certainty are treated as contingent and disclosed by way of notes to the accounts.

1.22 Segment Reporting

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the Company's Chief Operating Decision Maker ("CODM") to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the CODM evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

1.23 Dividends

Dividends paid (including dividend distribution tax thereon) is recognised in the period in which the interim

dividends are approved by the Board of Directors, or in respect of the final dividend when approved by shareholders. The amount is recognised directly in equity.

1.24 Recent pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On 31st March, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

i) Ind AS 1 – Presentation of Financial Statements

This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after 1st April, 2023. The Company does not expect this amendment to have any significant impact in its financial statements.

ii) Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors

This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after 1st April, 2023. The Company does

not expect this amendment to have any significant impact in its financial statements.

iii) Ind AS 12 – Income Taxes

This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after 1st April, 2023. The Company does not expect this amendment to have any significant impact in its financial statements.

(a) Terms/Rights attached to the Equity Shares & Notes

The Company has only one class of equity shares having par value of ₹ 1/- per share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividends in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting except in case of interim dividend.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

The Board of Directors at its meeting held on 11th August, 2022, approved a proposal to buy-back upto 1,00,00,000 equity shares of the Company for an aggregate amount not exceeding ₹ 2800 Lakhs, being 4.50% of the total paid up equity share capital at ₹ 28 per equity share. The shareholders approved the same on 14th September, 2022, by way of a special resolution through postal ballot. A Letter of Offer was made to all the eligible shareholders. The Company bought back 1,00,00,000 equity shares out of the shares that were tendered by eligible shareholders and extinguished the equity shares on 21st November, 2022. Capital redemption reserve was created to the extent of share capital extinguished (₹ 1 Crore). The cost of buy-back is ₹ 2800 Lakhs (excluding transaction costs such as Brokerage, filing fees, advisory fees, publication expenses, Buy Back Tax, Securities Transaction Tax, GST, Stamp duty and other related expenses etc.) and corresponding tax on buy-back of ₹ 628 Lakhs were adjusted from retained earnings.

Withdrawal rate (-/+ 1%)	63.11	62.16	62.27	61.40

The above sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023 (Contd.)**(iv) The major categories of plan assets**

The defined benefit plans are not funded with any Insurance Company of India.

(₹ in Lakhs)

Major Categories of Plan Assets as a percentage of total plan assets	31st March, 2023	31st March, 2022
Funds managed by Insurer	Nil	Nil

(v) Risk exposure

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below:

Interest risk:

A decrease in the interest rate on plan assets will increase the plan liability.

Life expectancy:

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and at the end of the employment. An increase in the life expectancy of the plan participants will increase the plan liability.

Salary growth risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. An increase in the salary of the plan participants will increase the plan liability.

(vi) Defined benefit liability and employer contributions

Expected contribution to post-employment benefits plans for the year ending 31st March, 2024 is ₹ 18.82 Lakhs.

The weighted average duration of the defined benefit obligation is 5.98 years (31st March, 2022 : 5.61 years). The expected maturity analysis of undiscounted gratuity is as follows:

(₹ in Lakhs)

Particulars	Less than a year	Between 2- 5 years	Over 5-10 years	Over 10 years

(III) Provident Fund

Contribution towards provident fund are recomputed as expenses in the Statement of Profit and Loss. The Company has a defined contribution plan. Under the defined contribution plan, provident fund is contributed to the Government administered provident fund. The Company has no further contractual nor any constructive obligation, other than the contribution payable to the provident fund. The expense recognised during the period towards defined contribution plan is ₹ 19.46 Lakhs (as at 31st March, 2022 : ₹ 17.26 Lakhs)

(i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023 (Contd.)

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

(ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments are determined using discounted cash flow analysis.

(iii) Fair value of financial assets and liabilities measured at amortised cost

(₹ in Lakhs)

Lease Liabilities	80.85	80.85	42.99	42.99
Total financial liabilities	80.85	80.85	80.64	80.64

The carrying amounts of all other financial assets and financial liabilities are considered to be the same as their fair values due to their short-term nature.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk. The carrying amounts of other borrowings with floating rate of interest are considered to be close to the fair value.

The fair values for financial instruments were calculated based on cash flows discounted using current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.

(iv) Significant estimates

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Company uses its judgement to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period.

- The Company has recognised interest on lease liabilities of ₹ 5.81 Lakhs under Finance Cost (Previous year: ₹ 4.39 Lakhs).
- The aggregate depreciation on ROU assets has been included under depreciation and amortisation expense in the Statement of Profit and Loss.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023 (Contd.)

NOTE 39 | CAPITAL MANAGEMENT**(a) Risk management**

The Company's objectives when managing capital are to:

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares .

The amount mentioned under total equity in balance sheet is considered as Capital.

The Company does not have any externally imposed capital requirements.

NOTE 40 | FINANCIAL RISK MANAGEMENT

The Company's activities are exposed to a variety of financial risks: credit risk, liquidity risk and market risk (i.e. foreign currency risk, interest rate risk and price risk).

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk:

(₹ in Lakhs)

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables and financial assets measured at amortised cost.	Ageing analysis	Diversification of customer base
Liquidity risk	Financial liabilities that are settled by delivering cash or another financial asset.	Cash flow forecasts	Projecting cash flows and considering the level of liquid assets necessary to meet the liabilities.
Market risk – interest rate	Long-term borrowings at fixed rates	Sensitivity analysis	Portfolio of loan contains fixed interest loans from financial institutions.
market risk foreign exchange risk	Future commercial transactions and recognised financial assets & liabilities not denominated in Indian National Rupee (₹).	Cash flow forecasting Sensitivity analysis	Projecting cash flows and considering the forecast of fluctuation in exchange rates
Market risk - price risk	Investments in equity securities	Sensitivity analysis	Continuous monitoring the performance of investments

(A) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

(i) Trade receivables

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Trade receivables are non-interest bearing and are generally carrying 30 days credit terms. Outstanding customer receivables are regularly monitored. The Company has no concentration of credit risk as the customer base is widely distributed both economically and geographically. The ageing of trade receivables as of balance sheet date is given below. The age analysis have been considered from the due date:

(₹ in Lakhs)

Particulars	Not due	Less than 6 months	6 months - 1 year	> 1 year	Total
Trade receivable as on 31st March, 2023	1,205.72	361.93	-	-	1,567.65
Trade receivable as on 31st March, 2022	3,996.50	811.07	1.63	-	4,809.20

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023 (Contd.)**(ii) Financial instruments and deposits**

Credit risk from balances with banks and financial institutions is managed by the Company's finance department. For banks and financial institutions, only high rated banks/institutions are accepted.

Financial assets are considered to be of good quality and there is no significant credit risk.

The Company's maximum exposure to credit risk for the components of the Balance Sheet at 31st March, 2023 and 31st March, 2022 is the carrying amounts as illustrated in Note no. 37

(iii) The movement of Advances to suppliers for goods and services and Allowance for Expected Credit Loss thereto are as follows:

(₹ in Lakhs)

Particulars	Note	31st March, 2023	31st March, 2022
Advances to suppliers for goods and services	12	281.02	293.55
Less: Allowances for Expected Credit loss	12	(275.75)	(50.45)
Advances to suppliers for goods and services (Net)		5.27	243.10

(iv) Reconciliation of Allowance for Expected Credit Loss:

(₹ in Lakhs)

Particulars	Advances to suppliers for goods and services
Allowance for Expected Credit Loss as on 31st March, 2022	50.45
Net Allowance for Expected Credit Loss	225.30
Bad Debts / Advances written off	-
Allowance for Expected Credit Loss as on 31st March, 2023	275.75

(B) Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the underlying business, the Company maintains sufficient cash and liquid investments available to meet its obligation.

Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows. The management also considers the cash flows projection and level of liquid assets necessary to meet these on a regular basis.

(i) Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

(₹ in Lakhs)

Particulars	31st March, 2023	31st March, 2022
Floating Rate		
- Expiring within one year (bank overdraft and other facilities)	2,788.49	2,994.41
	2,788.49	2,994.41

The bank overdraft facilities may be drawn at any time and may be terminated by the Bank without notice. Subject to the continuance of satisfactory credit ratings, the bank loan facilities may be drawn at any time in Indian Rupees.

Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for all financial liabilities.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023 (Contd.)

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Total financial liabilities	1,196.89	5.20	15.35	21.86	1,239.31

(C) Market risk – Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company's main interest rate risk arises from long-term borrowings with variable rates, which expose the Company to cash flow interest rate risk. During 31st March, 2023, the Company's borrowings at variable rate were mainly denominated in Indian Rupees.

The Company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

(a) Interest rate risk exposure**On Financial Liabilities:**

The exposure of the Company's financial liabilities to interest rate risk is as follows:

(₹ in Lakhs)

Particulars	31st March, 2023	31st March, 2022
Variable rate borrowings	211.51	5.59
Fixed rate borrowings	-	37.65
Total borrowings	211.51	43.24

(b) Sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates as below:

(₹ in Lakhs)

Particulars	Impact on profit before tax	
	31st March, 2023	31st March, 2022
Interest expense rates – increase by 50 basis points	(1.06)	(0.03)
Interest expense rates – decrease by 50 basis points	1.06	0.03

* Holding all other variables constant

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023 (Contd.)**(D) Market risk – Foreign currency risk**

The risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates.

Further foreign exchange risk also arises from future cash flow against foreign currency loan. The risk is measured through a forecast of highly probable foreign currency cash flows.

(E) Market risk – Price risk

The risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer or by factors affecting all similar financial instruments traded in the market.

The Company's exposure to equity securities price risk arises from investments held by the Company in equity securities and classified in the Balance Sheet as at fair value through profit and loss. The Company has investment in quoted and unquoted equity securities. Investment is done in accordance with the limits set by the Company. The Company's Board of Directors reviews and approves all investment decisions.

Note : Based on legal opinion / decisions in similar cases, the Management believes that the Company has a fair chance of favourable decisions in cases mentioned here-in-above and hence no provision is considered necessary. The amounts shown above represent the possible estimates arrived at on the basis of available information. The uncertainties and timing of the cash flows are dependent on the outcome of different legal processes which have been invoked by the Company or the claimants, as the case may be and, therefore, cannot be estimated accurately. - (a) On the basis of the direction of the High Court of Meghalaya dated 30th August, 2018 following the decision of the Supreme Court dated 10th November, 2017 passed in SRD Nutrients Private limited. Vs. Commissioner of Central Excise, Guwahati, Company has received a refund of Education Cess and Secondary & Higher Education Cess amounting to ₹ 112 Lakhs (approx) in earlier years. However, the Apex court vide its Order dated 6th December, 2019 have taken a contrary view in the matter of M/s Unicorn Industries Vs Union of India and Others. Based on the later

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023 (Contd.)

judgement a demand letter was raised by the department to refund the amount granted. As the Order dated 30th August 2018, has attained its finality and the refund was granted accordingly, the Company has preferred a writ petition before the Meghalaya High Court against the above demand letter. Meghalaya High Court has stayed the said demand vide its order dated 16th June, 2020. The final hearing of the case is yet to be conducted before the Meghalaya High Court. Based on the legal advice obtained by the Company from External Counsel as well as its own assessment, there is every likelihood that the said demand will be quashed and therefore no provision have been taken in the books of account.

- (b) In respect of demand notice dated 19th February, 2020 received by the Company from Director of Mineral Resources, Meghalaya, for payment of royalty, MEPRF, VAT/GST for ₹ 1,739 Lakhs (approx) in pursuance to the National Green Tribunal (NGT) Order dated 17th January, 2020 passed in O.A. No. 110(TCH)/2012 for alleged illegal coal procurement. By passing the said order NGT has accepted the Recommendation of the 5th Interim Report of the Independent Committee set up by NGT, which has suggested imposition of penalty on Cement Companies and Thermal Power Plants in Meghalaya. The Company has not purchased any illegal coal and has complied with all disclosure requirements of the various Government Departments. The Report of NGT Committee has been founded on the basis of assumptions and views of the Committee and not on hard facts. Further to note that the Company has neither been issued a show-cause nor any opportunity of being heard was given to the Company before submitting the Interim reports by the Independent Committee to NGT. Even NGT has not served any notice on the Company before passing the impugned order dated 17th January, 2020 which is clear violation of principles of natural justice. The Company backed by the legal opinions, believes that it has a good case in the matter as the said order was issued based on certain hypothetical assumptions and views and not on hard facts. No opportunity of being heard was provided to the Company either by NGT committee or by NGT itself which passed order without going into the merits & facts and accepted the recommendations of 5th Interim Report. In addition, the Committee also recommended that an amount of ₹ 400/MT of coal to be utilised by SCFL (and other plants) on or after the date of the order shall be directed to be deposited in the MEPRF, which comes to ₹ 446 Lakhs(approx). Therefore, there is every likelihood of the Demand Notice and the order of the NGT being set aside. The Company has preferred an appeal before the Supreme Court of India against the NGT. By way of the Judgment dated 2nd May, 2023, the Supreme Court has set aside the Order of the NGT dated 17th January, 2020 and demanded back by NGT and accordingly, no provision has been made in the accounts.

8. The Board of Directors of the Company at its Board Meeting held on 11th August, 2022, had declared an interim dividend of ₹ 0.30 per equity share of Rs. 1 each fully paid up share of the Company, which was paid to those members whose names appeared on the Company' s Register of Members and as Beneficial owners as at close of business hours of 24th August, 2022. The Dividend was paid electronically in the Members Bank Account.

NOTICE (Contd.)

The Board has not recommended any further dividend for the year ended 31st March, 2023 and as such the aforesaid Interim Dividend be treated as final Dividend.

9. Members are requested to note that dividends if not encashed for a consecutive period of 7 years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund (IEPF). The shares in respect of which dividends have not been encashed consecutively for a period of 7 years, are also liable to be transferred to the demat account of the IEPF Authority. In view of this, Members are requested to claim their dividends from the Company, within the stipulated timeline.
10. Pursuant to Section 124 of the Companies Act, 2013, the unpaid dividends that are due to transfer to the Investor Education and Protection Fund (IEPF) are as follows:

Financial Year	Date of Declaration	Tentative Date for transfer to IEPF
FY 21-22 (Interim)	11th August, 2022	17th September, 2029

Members who have not encashed their dividend warrants/drafts pertaining to the aforesaid years may approach the Company/its Registrar, for obtaining payments thereof atleast 30 days before they are due for transfer to the said fund.

11. Pursuant to Regulation 12 of SEBI (LODR) payment of dividend, will be made only by electronic mode directly into the bank account of Members and no dividend warrants or demand drafts will be issued without bank particulars. Please submit bank details along with an original cancelled cheque or Xerox copy of the cheque to our Registrars in case you hold shares in physical form and to your Depository Participants in case shares held in demat. This will facilitate to make payment of dividend as per aforesaid Regulation as and when declared. Members holding shares in the physical form are requested to notify changes in address, email id, bank mandate and bank particulars, if any, under their signatures to M/s. Maheshwari Datamatics Private Limited, 23 R. N. Mukherjee Road, 5th Floor, Kolkata – 700001, the Registrars and Share Transfer Agents (RTA) of the Company, quoting their Folio numbers. Members holding shares in electronic form may update such information with their respective Depository Participants.
12. As per the provisions of Section 72 of the Act and SEBI Circular, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form

No. SH-13. If a member desires to opt out or cancel the earlier nomination and record a fresh nomination, he/she may submit the same in ISR-3 or SH-14 as the case may be. The said forms can be downloaded from the Company's website under Investor information at <https://shyamcenturyferrous.com/investors/investors-informations.php> and is also available on the website of the RTA at <https://www.mdpl.in/>. Members are requested to submit the said details to their Depository Participants in case the shares are held by them in dematerialised form and to the Company's Registrar and Share Transfer Agent ('RTA') in case the shares are held by them in physical form, quoting their folio number.

13. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company's RTA, the details of such folios together with the share certificates alongwith the requisite KYC documents for consolidating their holdings in one folio. Requests for consolidation of share certificates shall be processed in dematerialised form.
14. To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company of any change in address or demise of any Member as soon as possible. Members are also advised to not leave their demat account(s) dormant for long.
