NOTES TO FINANCIAL RESULTS:

1. The above unaudited financial results as reviewed by the Audit Committee have been approved at the meeting of the Board of Directors held on 06th August 2026. The audit of these results as required under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, have been completed by the Statutory Auditors of the Company.
2. The Company ceased production at its manufacturing facility situated at EPIP, Rajabagan, Byrnihat, District-Ri-Bhoi, Meghalaya - 793101 with effect from 7th May 2025, pursuant to the strategic decision to discontinue its manufacturing business, which constituted the Company's sole operating segment. Shareholder approval for the disposal of the manufacturing business was obtained on 9th February 2026, and the manufacturing assets have been classified as "Non-current assets held for sale" in accordance with Ind AS 105 - Non-current Assets Held for Sale and Discontinued Operations with effect from this date. Despite the discontinuation of manufacturing operations, the Company continues to exist as a going concern and will earn interest income from its substantial investment portfolio, which is classified as "Other Income" in the Statement of Profit and Loss. The Company has a positive net worth and has sufficient liquid assets (investments) to meet its liabilities as and when they fall due. While the Company has incurred losses in the current quarter ending 30th June, 2026 and the previous financial year (2025-26) primarily due to the discontinuation of its core manufacturing operations, the Management confirms that these losses do not cast significant doubt on the Company's ability to continue as a going concern. The Management has assessed the Company's ability to continue as a going concern for a period of at least twelve months from the date of the financial results and has considered all available information including cash flow projections, the value of investment portfolio, and expected proceeds from the sale of assets classified as held for sale. The Management concludes that no material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern, and accordingly the financial statements have been prepared on a going concern basis in accordance with the applicable Ind AS. The Company is looking for new business opportunities and has no intention to liquidate as a business entity.
3. The Company was primarily engaged in the manufacture and sale of ferro silicon which has been discontinued as stated above. There are no separate reportable segments as per Ind AS 108 - "Operating Segments". Revenue from Operations consists of only sale of Raw Materials which has been classified under Revenue from discontinued operations.
4. The above is an extract of the detailed format of Financial Results filed with the Stock Exchanges under Regulation 33 of the Securities and Exchange Board of India (lising Obligation and Disclosure Requirements) Regulations, 2015. The full format of the financial Results are available on the Stock Exchange websites (www.bseindia.com and www.nseindia.com) and on the Company's website (www.shyamcenturyferrous.com).
5. The figures for the quarter ended 31st March, 2026 are arrived at as difference between audited figures in respect of the full financial year ended 31st March, 2026 and the published unaudited year- to- date figures upto the third quarter ended 31st December, 2025, which were subject to limited review by the Statutory Auditors.
