MESSAGE FROM THE MANAGING DIRECTOR'S DESK

Dear Shareholders,

Every business encounters defining moments—periods that test not only its resilience but also its willingness to evolve. For Shyam Century Ferrous Limited, FY 2025-26 has been one such year. It has been a period of strategic introspection, measured decision-making and renewed focus on building a stronger and more sustainable future.

Over the past year, we have remained committed to evaluating our business with a long-term perspective. Rather than pursuing growth for its own sake, our emphasis has been on identifying opportunities that can generate sustainable value while preserving Company's financial strength. We believe that enduring businesses are built by allocating capital prudently, adapting to changing market realities and remaining open to new possibilities.

Accordingly, we are actively evaluating opportunities across businesses that complement our strategic capabilities and offer the potential for long-term value creation. Our objective is to build a diversified and resilient platform that can create consistent returns while reducing dependence on a single operating segment. Every opportunity under consideration is being subjected to rigorous commercial, financial and strategic evaluation to ensure that it aligns with our disciplined approach to capital allocation.

Alongside these efforts, we continue to assess various strategic alternatives for optimising our asset portfolio and enhancing the Company's operational and financial flexibility. Such evaluations form part of responsible corporate stewardship and are intended to ensure that our resources remain aligned with opportunities capable of delivering superior long-term value. As always, any decision will be guided by the principles of prudence, transparency and the best interests of all stakeholders.

While this phase represents a transition, it also presents an opportunity to redefine the Company's future direction. We remain confident that a disciplined approach, supported by sound governance and financial responsibility, will enable us to emerge stronger and better positioned to participate in future growth opportunities.

Throughout this journey, our priorities remain unchanged. We will continue to uphold high standards of corporate governance, maintain financial discipline and evaluate every strategic decision through the lens of long-term shareholder value. We recognise that transformation requires patience, thoughtful execution and the confidence to make decisions that may shape the Company's trajectory for years to come.

I would like to sincerely thank our shareholders for their continued trust and confidence. I also extend my appreciation to our employees, customers, business partners, lenders and all other stakeholders for their unwavering support. Their encouragement provides us with the conviction to navigate this evolving phase with clarity, responsibility and optimism.

Warm regards,

Aditya Vimalkumar Agrawal

FERRO ALLOYS BUSINESS - INDUSTRY AT A GLANCE

During FY 2025–26, the Ferro Silicon industry remained closely linked to developments in the global and domestic steel sector, which continues to be the principal consumer of Ferro Silicon. Global steel production witnessed moderate growth during the year, supported by infrastructure investments, energy transition projects and steady demand from the construction and automotive sectors. However, the operating environment for Ferro Silicon manufacturers remained challenging due to persistent volatility in raw material prices, elevated energy costs and uncertain global trade conditions.

The Ferro Silicon industry continued to face significant cost pressures during the year. Power cost, which constitutes nearly 45%–50% of the total production cost of Ferro Silicon, remained the single most critical factor affecting profitability and competitiveness. Fluctuations in quartz, reductants, electrode paste and freight costs, along with adverse currency movements, also impacted industry margins.

Globally, the Ferro Silicon market remained under pressure due to continued oversupply and aggressive pricing from Chinese producers. The dumping of Silicon Metal and Ferro Silicon by Chinese manufacturers adversely affected international market prices, resulting in realizations falling below sustainable production cost levels for many producers across the world. This led to severe margin compression and operational challenges for Ferro Silicon manufacturers, particularly in regions with high energy costs.

The Indian Ferro Silicon industry also faced structural disadvantages compared to competing international producers, particularly those operating in countries with access to low-cost hydroelectric power such as Bhutan. Indian manufacturers, especially units located in states with high industrial power tariffs, continued to face significant competitive pressure due to the substantial disparity in electricity costs.

The ongoing geopolitical tensions arising from the Russia–Ukraine conflict and instability in the West Asian region further impacted global commodity and energy markets during the year. Since India remains dependent on imports for several critical raw materials used across the steel value chain, elevated international prices and freight costs continued to exert pressure on input costs for the ferro alloys sector, including Ferro Silicon manufacturers.

Despite these near-term challenges, the medium-term outlook for the Ferro Silicon industry remains cautiously optimistic, supported by planned expansion in steel-making capacities, infrastructure development initiatives and continued industrial growth. Government focus on manufacturing, infrastructure and capital expenditure is expected to support long-term

steel demand, which in turn is likely to drive consumption of Ferro Silicon and other ferro alloys.

However, the industry is expected to remain sensitive to developments in global trade, power tariffs, raw material availability and international pricing trends. Sustainable competitiveness for Indian Ferro Silicon manufacturers will largely depend on access to affordable power, operational efficiencies and supportive policy measures aimed at strengthening the domestic ferro alloys sector.

In view of the continued suspension of operations of the Company and the deteriorating condition of its Plant and Machinery and/or Undertaking(s), considering the need to meet the recurring expenses and other unavoidable liabilities, the Board of Directors, pursuant to the recommendation of the Audit Committee, at its meeting held on 7th January, 2026, approved a proposal for the disposal of the whole or substantially the whole of the plant and machinery and/or undertaking(s) of the Company located at Byrnihat, Meghalaya, subject to the approval of shareholders and such other approvals as may be required under the provisions of the Companies Act, 2013 ("Act") and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The proposed disposal includes fixed assets, plant and machinery, inventories and other assets of the Company on such terms and conditions as may be determined by the Board from time to time in the best interest of the Company, with the objective of meeting its unavoidable financial obligations and liabilities. The aforesaid proposal was subsequently approved by the shareholders of the Company through e-voting on 9th February, 2026 with requisite majority.

The Company is actively exploring appropriate avenues & opportunities towards achieving its objectives in the best interests of the Company.

During the year under review, since the factory of the Company situated at Byrnihat was closed from 7th May, 2025 the figures of production, sales, profit/loss on year to year basis are not comparable. The Company sold 1,237.96 MT. Ferro Silicon, stocks available with the Company during the FY 2025-26 as against 11,961 MT. in previous year. Since the Company's production was closed, the Company only produced 673 MT. during the year under review before the closure of operations.

OPPORTUNITIES & THREATS, RISKS AND CONCERNS

Opportunities

The Company is evaluating various strategic alternatives for the optimal utilization of the proceeds received from sell off assets, including business restructuring, diversification into new business opportunities and other potential initiatives. The Company remains committed to identifying sustainable avenues for long-term growth and enhancing shareholder value.

Threat

The Company's future business plans are subject to risks relating to the identification of suitable business opportunities, regulatory approvals and prevailing market conditions. Continued non-utilization of production facilities may also result in asset deterioration, increased maintenance costs and a reduction in their realizable value.

Risks and Concern

The Company is currently not engaged in active business operations and faces risks relating to limited revenue generation, asset maintenance, regulatory compliance and identification of suitable future business opportunities. The management continues to evaluate strategic alternatives to enhance stakeholder value.

PERFORMANCE AND OPERATIONS REVIEW

During the year under review, the Company has not accepted any deposits from public or from any of the Directors of the Company or their relatives falling under ambit of Section 73 of the Companies Act, 2013.

SIGNIFICANT MATERIAL ORDERS PASSED BY THE COURTS OR REGULATORS

In respect of demand notice dated 19th February, 2020 received by the Company from Director of Mineral Resources, Meghalaya, for payment of royalty, MEPRF, VAT/GST for ₹ 1,739 Lakhs (approx) in pursuance to the National Green Tribunal (NGT) Order dated 17th January, 2020 passed in O.A. No. 110(TCH)/2012 for alleged illegal coal procurement. By passing the said order NGT has accepted the Recommendation of the 5th Interim Report of the Independent Committee set up by NGT, which has suggested imposition of penalty on Cement Companies and Thermal Power Plants in Meghalaya. The Company has not purchased any illegal coal and has complied with all disclosure requirements of the various Government Departments. The Report of NGT Committee has been founded on the basis of assumptions and views of the Committee and not on hard facts. Further to note that the Company has neither been issued a show-cause nor any opportunity of being heard was given to the Company before submitting the Interim reports by the Independent Committee to NGT. Even NGT has not served any notice on the Company before passing the impugned order dated 17th January, 2020 which is clear violation of principles of natural justice. The Company backed by the legal opinions, believes that it has a good case in the matter as the said order was issued based on certain hypothetical assumptions and views and not on hard facts. No opportunity of being heard was provided to the Company either by NGT committee or by NGT itself which passed order without going into the merits & facts and accepted the recommendations of 5th Interim Report. In addition, the Committee also recommended that an amount of Rs. 400/MT. of coal to be utilized by the Company (and other plants) on or after the date of the order shall be directed to be deposited in the MEPRF, which comes to Rs. 446 lakhs (approx). Therefore, there is every likelihood of the Demand Notice and the order of the NGT being set aside. The Company has preferred an appeal before the Supreme Court of India against the NGT. The Hon'ble Supreme Court in its Order dated 2nd May, 2023 has set aside the Order of NGT and remand back the same to NGT for its further considerations. On 2nd Nov, 2023, the Company filed an application for impleadment which was allowed by the NGT, Eastern Zone Bench. Further, the Company has also filed a counter affidavit before the NGT, Eastern Zone Bench which was taken on record on 9th Feb, 2024. Pleadings in this matter stand completed. Pursuant to the order dated 7th April, 2026, the matter has been directed to be listed for final hearing on 14th July, 2026. Based on legal advice and management's assessment of the merits of the case, the Company believes that it has a reasonable likelihood of a favourable outcome. Accordingly, no provision has been made in the books of account. (Refer Note no. 46(a) of Notes to Accounts).

Other than the aforesaid, there have been no significant and material order passed by the Courts/Regulators impacting the going concern status and future operations of the Company

MATERIAL CHANGES AND COMMITMENTS AFFECTING THE FINANCIAL POSITION OF THE COMPANY

No material changes or commitments have occurred between the end of the financial year and the date of this Report which affect the financial statements of the Company in respect of the reporting year.

CREDIT RATINGS

During the year under review, the Company based on the No objection certificate received from HDFC bank Ltd. & as per ICRA's policy on withdrawal of credit rating, has requested ICRA Limited to withdraw its credit rating assigned to Company's short term and long term fund facilities. ICRA limited has withdrawn the credit rating assigned to the Company's fund facilities and the same has been intimated to the Stock Exchanges.

Currently there are no ratings assigned to the Company.

ADEQUACY OF INTERNAL FINANCIAL CONTROL

The Company maintains comprehensive internal control system, commensurate with the size of its operations and monitoring procedure for all the major processes to ensure reliability of financial reporting, timely feedback on achievement of operational and strategic goals, compliance with policies, procedures, laws and regulations, safeguarding of assets and economical and efficient use of resources.

INTERNAL CONTROL OVER FINANCIAL REPORTING

The Company has in place adequate internal financial controls commensurate with the size, scale and complexity of its operations. During the year, such controls were tested and no reportable material weakness in the design or operations were observed. The Company has policies and procedures in place for ensuring proper and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2026

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To

The Members,

SHYAM CENTURY FERROUS LIMITED

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **SHYAM CENTURY FERROUS LIMITED** (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

The Company's Management is responsible for preparation and maintenance of secretarial and other records and for devising proper systems to ensure compliance with the provisions of applicable laws and regulations.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit and considering the relaxations granted by Ministry of Corporate Affairs and Securities and Exchange Board of India, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2026 complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2026, to the extent applicable, according to the provisions of:

i) The Companies Act, 2013 (the Act) and the Rules made thereunder;

ii) The Securities Contracts (Regulation) Act, 1956 and Rules made thereunder;

iii) The Depositories Act, 1996 and Regulations and Bye-laws framed thereunder;

iv) The Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

v) The Regulations and Guidelines prescribed under the Securities & Exchange Board of India Act, 1992 ("SEBI Act") or by SEBI, to the extent applicable:

a) The Securities & Exchange Board of India (Substantial Acquisition of Shares and Takeover) Regulations, 2011;

b) The Securities & Exchange Board of India (Prohibition of Insider Trading) Regulations 2015;

c) The Securities & Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;

d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;

e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;

f) The Securities & Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 (applicable till 14.12.2025);

g) The Securities & Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 2025 (applicable from 15.12.2025);

h) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021;

i) The Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018 and

j) The Securities & Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

vi) Other than fiscal, labour and environmental laws which are generally applicable to all manufacturing companies, the following laws/acts are also, inter alia, applicable to the Company:

a) The Boilers Act, 1923

b) Legal Metrology Act, 2009;

c) The Petroleum Act, 1934;

d) The Meghalaya Forest Act, 1973.

We have also examined compliance with the applicable clauses of the Secretarial Standards issued by The Institute of Company Secretaries of India.

During the period under review the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that

a) The Board of Directors of the Company is duly constituted with proper balance of Non-Executive Directors and Independent Directors. The change in the composition of the Board of Directors that took place during the period under review was carried out in compliance with the provisions of the Act.

b) Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance (and at a shorter notice for which necessary approvals obtained, if any), and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

c) None of the directors in any meeting dissented on any resolution and hence there was no instance of recording any dissenting member's view in the minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, the Company has passed the following special resolution for:

i. Appointment of Mrs. Ibaridor Katherine War (DIN: 03107920) as an Independent Director of the Company, to hold office for a term of 3 (three) consecutive years commencing from 01st April, 2025 upto 31st March, 2028.

INDEPENDENT AUDITORS' REPORT

To

The Member of

Shyam Century Ferrous Limited

Report on the Audit of the financial statements

Opinion

1. We have audited the accompanying financial statements of Shyam Century Ferrous Limited ("the Company"), which comprise the Balance sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its loss and other comprehensive income, changes in equity and cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the relevant provisions of the Act and Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended March 31, 2026. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below as Key audit matters to be communicated in our Report:

S.No	Description of Key Audit Matters	How our audit addressed the Key Audit Matter
1.	**Litigations, Claims and Contingent Liabilities** (Refer Note no. 46 to the Financial Statements and Note 1.23 of the material accounting policies of the Financial Statements). The Company is subject to certain legal and regulatory cases for which final outcome cannot be easily predicted and which could potentially result in significant liabilities. The Company's management has assessed that the probability of success of the demand is remote and accordingly has not provided for the disputed demands. The assessment of whether a liability is recognized as a provision or disclosed as a contingent liability in the financial statements is inherently subjective and requires significant management judgement in determination of the cash outflows from the business, interpretation of applicable laws and regulations and careful examination of pending assessments at various levels of regulatory authorities. These estimates could change significantly over time as new facts emerge and each legal case progresses. This has been considered as a key audit matter in view of the uncertain outcome of the litigations and involvement of significant management interpretations and judgement in assessing the probability of outflow of economic resources.	**Our audit procedures included but were not limited to the following:** ☐ Gained an understanding of outstanding litigations against the Company from the Company's in-house legal counsel and other key managerial personnel who have knowledge of these matters. ☐ Reviewed the outstanding litigations against the Company for consistency with the previous years. Enquired and obtained explanations for movement during the year. ☐ Read the correspondence from Court authorities and considered legal opinion obtained by the Company from legal counsel. ☐ Examined the Company's legal expenses and read the minutes of the board meetings, in order to ensure all cases have been identified. ☐ Considered the adequacy and completeness of the Company's disclosures with regard to those matters where management concluded that no provisions should be recorded. On the basis of the above procedures performed, we considered the management's assessment in respect of contingencies and provision for litigations and claims to be reasonable and disclosures to be appropriate.

INDEPENDENT AUDITORS' REPORT

S.No	Description of Key Audit Matters	How our audit addressed the Key Audit Matter
2.	**Existence and Valuation of Investment** (Refer Note no. 3 and 7 to the Financial Statements and Note 1.10 of the material accounting policies of the Financial Statements). The Company holds Current and Non-Current Investments amounting to Rs 453.87 lakhs and ₹ 10,955.61 lakhs respectively which represents 68.03% of total assets as at March 31, 2026. The Investments comprise of mutual funds, unquoted equity shares and perpetual listed bonds. The investments being financial instruments needs to be appropriately designated at fair value through profit or loss, fair value through other comprehensive income (not to be reclassified) or at amortized cost. Further, these financial instruments need to be valued and classified as Level 1, 2 or 3 financial instruments as per the fair value hierarchy. This has been considered as a key audit matter due to the quantum of amount involved.	**Our audit procedures included but were not limited to the following:** ☐ We understood, assessed and tested the design and operating effectiveness of key controls surrounding fair valuation of investments. ☐ We have verified the Broker's Demat holding statements and statement of account as at March 31, 2026 for Equity Shares, Mutual Funds and Bonds to confirm the existence and ownership of the Company's investment portfolio. ☐ We have verified the fair valuation of all Investments held as at March 31, 2026 to the Net Assets Value provided by the respective Mutual funds, market value of bonds from source data, valuation of unquoted equity shares from fair value provided by portfolio managers engaged by management and tested the arithmetical accuracy of the calculation of valuation of investments. ☐ Assessed adequate disclosures in financial statements in respect of investments. On the basis of the above procedures performed, we are satisfied with valuation and existence of current and non-current investments.

Emphasis for Matter

5. We draw attention to Note no. 60 to the financial statements, which states that the Company ceased production at its manufacturing facility situated at EPIP, Rajabagan, Byrnihat, District-Ri-Bhoi, Meghalaya - 793101 with effect from May 7, 2025, pursuant to the strategic decision to discontinue its manufacturing business, which constituted the Company's sole operating segment. Despite the discontinuation of manufacturing operations, the Company continues to exist as a going concern and will earn interest income from its substantial investment portfolio, which is classified as "Other Income" in the Statement of Profit and Loss. The Company has a positive net worth and has sufficient liquid assets (investments) to meet its liabilities as and when they fall due. While the Company has incurred losses in the current and previous financial years primarily due to the discontinuation of its core manufacturing operations, the Management confirms that these losses do not cast significant doubt on the Company's ability to continue as a going concern. The Management has assessed the Company's ability to continue as a going concern for a period of at least twelve months from the date of the balance sheet (i.e., up to March 31, 2027) and has considered all available information including cash flow projections, the value of investment portfolio, and expected proceeds from the sale of assets classified as held for sale. The Management concludes that no material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern, and accordingly the financial statements have been prepared on a going concern basis in accordance with the applicable Ind AS. The Company is looking for new business opportunities and right now has no intention to liquidate as a business entity.

   Our opinion is not modified in respect of this matter.

Information Other than the financial statements and Auditor's Report Thereon

6. The Company's Management and Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion Analysis, and Report on Corporate Governance, but does not include the financial statements and our auditor's report thereon.

   Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

   If, based on the work we have performed, we conclude that there is a material misstatement of this other

information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the financial statements

7. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act, read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls with reference to financial statements that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

8. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

   The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the financial statements

9. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating

INDEPENDENT AUDITORS' REPORT

the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

14. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

15. As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

(c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards Specified under Section 133 of the Act, read with relevant rules issued thereunder.

(e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.

(f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" wherein we have expressed an unmodified opinion.

(g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirement of section 197(16) of the Act, In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/ provided by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note No. 46 to the financial statements.

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026.

iv. (a) The Management has represented that, to the best of its knowledge and belief, as disclosed in Note No. 55 (i) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly

or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in Note No. 55 (ii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the Management representations under sub-clauses (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. The Board of Directors of the Company have not proposed/ paid any dividend for the year ended March 31, 2026, hence, no compliance of section 123 of the Act was required.

vi. Based on our examination, which included test checks, and other generally accepted audit procedures performed by us, we report that the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirement for the record retention.

16. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 read with Schedule V to the Act.

INDEPENDENT AUDITORS' REPORT

Annexure A to the Independent Auditor's Report

(Referred to in Paragraph 14 under the heading "Report on Other Legal and Regulatory Requirements" of our Independent Auditors' report of even date)

In terms of the information and explanations sought by us and given by the company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

i. In respect of the Company's property, plant and equipment.

(a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.

(B) The Company has maintained proper records showing full particulars of intangible assets.

(b) The Property, Plant and Equipment are physically verified by the Management according to a phased programme designed to cover all the items over a reasonable period of time which, in our opinion, is reasonable having regard to the size of the Company and the nature of its property, plant and equipment. Pursuant to the programme, certain Property, Plant and Equipment were physically verified by the Management during the year and no material discrepancies were noticed on such verification.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in Note No. 2 on Property, Plant and Equipment and Note No. 2.1 on Right-of-use Assets to the financial statements, are held in the name of the Company as at the balance sheet date.

(d) The Company has not revalued its Property, Plant and Equipment (including right-of-use assets) or intangible assets or both during the year. Accordingly, reporting under clause 3(i)(d) of the Order is not applicable.

(e) Based on the information and explanations furnished to us, no proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements does not arise.

ii. (a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedure and coverage as followed by management were appropriate. The discrepancies noticed on physical verification of inventory as compared to book records were less than 10% in aggregate for each class of inventory.

(b) The Company has been sanctioned working capital limits in excess of ₹ 5 crores, in aggregate, from banks on the basis of security of current assets. In our opinion and according to the information and explanations given to us, the quarterly returns or statements comprising stock and book debt statements and statements on ageing analysis of debtors filed by the Company with such banks are materially in agreement with the audited books of account of the Company of the respective quarters other than those as set out below:

Name of the Bank (a)	Aggregate working capital limits sanctioned (b)	Nature of Current Asset offered as Security (c)	Quarter ended (d)	Amount disclosed as per Quarterly Statement (₹ in Lakhs) (e)	Amount as per Books of account (₹ in Lakhs) (f)	Difference (₹ in Lakhs) (g) = (e) - (f)	Reasons for difference (h)
HDFC Bank	₹ 2400 lakhs	Refer Note 1 below	June 2025	1,432.59	1,494.72	(88.90)	Refer Note 2 below
			September 2025	1,146.58	1,249.41	(101.09)	Refer Note 2 below
			December 2025	974.45	948.58	(12.59)	Refer Note 2 below
			March 2026	*	563.90	(563.90)	*

* Since, the Company had requested the Bank to close the Working Capital facility, no quarterly statement was submitted to the Bank for the quarter ended March 31, 2026.

Note 1: These include the Inventories and Trade Receivables net of Trade Payables.

Also refer Note No.21 (iii) to the financial statements.

Note 2: As stated by the management, the difference is due to variation in stock valuation rate as valuation is based on previous month's cost sheet.

iii. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not provided guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year. Accordingly, provisions of clauses 3(iii) (a) & 3(iii) [(c) to (f)] of the Order are not applicable to the Company. During the year, the Company has made investment in mutual funds and perpetual listed bonds.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, Investment made during the year as mentioned above are, prima facie, not prejudicial to the Company's interest.

iv. The Company has neither granted any loans nor provided guarantees or securities in contravention of provisions of Section 185 of the Act. The Company has not made any investments or provided any guarantees or securities to the parties covered under Section 186 of the Act. In respect of loans made by the Company, the provisions of Section 186 of the Act have been complied with.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified. Accordingly, reporting under Clause (v) of the Order is not applicable.

vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products. We have broadly reviewed the same and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.

vii. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company is generally regular in depositing the undisputed statutory dues, including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues, as applicable, with the appropriate authorities. There were no undisputed amounts payable in respect of the aforesaid statutory dues in arrears as at March 31, 2026 for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us and based on the records of the Company examined by us, the particulars of statutory dues referred in sub-clause (a) above which have not been deposited on account of any dispute are as follows:

Name of the Statute	Nature of dues	Amount (₹ In lakhs)	Period to which the amount relates	Forum where the dispute is pending
Mines and Minerals (Development and Regulation) Act, Goods and Service tax, Value-Added tax Act	Royalty, Meghalaya Environment Protection & Restoration Fund, GST/VAT	2,184.80	2014-15 to 2018-19	National Green Tribunal, Eastern Zone Bench, Kolkata

viii. According to the information and explanations given to us and based on the records of the Company examined by us, the Company has not surrendered or disclosed any transactions as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) which were previously not recorded in the books of account. Accordingly, reporting under Clause 3(viii) of the Order is not applicable.

ix. (a) According to the information and explanations given to us and based on the records of the Company examined by us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the year. Accordingly, reporting under clause 3(ix) (a) of the Order is not applicable.

(b) According to the information and explanations given to us and based on the records of the Company examined by us, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority. Accordingly, reporting under clause 3(ix) (b) of the Order is not applicable.

INDEPENDENT AUDITORS' REPORT

(c) The Company has not raised any money by way of term loans during the year and did not have any term loans outstanding at the beginning of the current year. Accordingly, reporting under clause 3(ix) (c) of the Order is not applicable.

(d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have not been used for long-term purposes by the Company. Accordingly, reporting under clause 3(ix) (d) of the Order is not applicable.

(e) During the year ended March 31, 2026, the Company did not have any subsidiaries, associates or joint ventures as defined under the Act. Accordingly, reporting under clause 3(ix) (e) of the Order is not applicable.

(f) During the year ended March 31, 2026, the Company did not have any subsidiaries, associates or joint ventures as defined under the Act. Accordingly, reporting under clause 3(ix) (f) of the Order is not applicable.

x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, reporting under Clause 3(x) (a) of the Order is not applicable.

(b) The Company has complied with provisions of sections 42 and 62 of the Companies Act, 2013 in respect of the preferential allotment of shares during the year. The Company has not made any private placement of shares or issued optionally convertible debentures during the year. Accordingly, reporting under Clause 3(x) (b) of the Order is not applicable.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company or on the Company which has been noticed or reported during the year, nor have we been informed of any such case by the Management. Accordingly, reporting under Clause 3(xi) (a) of the Order is not applicable.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, carried out in accordance with the generally accepted auditing practices in India, a report under Section 143 (12) of the Act, in Form ADT-4, as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed by us with the Central Government, during the year and up to the date of this Report. Further, as informed by the Company, the Cost Auditor as well as the Secretarial Auditor of the Company have not filed any report under Section 143(12) of the Act with the Central Government in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014, during the year and up to the date of this report.

(c) According to the information and explanations given to us, no whistle blower complaints were received by the Company during the year.

xii. The Company is not a Nidhi Company as per the provisions of the Act. Accordingly, reporting under clause 3(xii) (a) (b) & (c) of the Order is not applicable.

xiii. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has entered into transactions with related parties in compliance with Sections 177 and 188 of the Act, where applicable. The details of the related party transactions have been disclosed in the notes to the financial statements as required under Indian Accounting Standard (Ind AS) 24 "Related Party Disclosures" specified under Section 133 of the Act.

xiv. (a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business; and

(b) The internal audit reports of the Company issued till the date of audit report, for the period under audit have been considered by us.

xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with its directors or persons connected with them. Accordingly, reporting on compliance with the provisions of Section 192 of the Act under Clause 3(xv) of the Order is not applicable.

xvi. (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under Clause 3(xvi) (a) of the Order is not applicable.

(b) The Company has not conducted any non-banking financial / housing finance activities during the year. Accordingly, reporting under Clause 3(xvi) (b) of the Order is not applicable.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, reporting under Clause 3(xvi) (c) of the Order is not applicable.

(d) As represented by the Management, there is no core investment company within the Group (as defined

INDEPENDENT AUDITORS' REPORT

in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable. We have not, however, separately evaluated whether the information provided by the management is accurate and complete.

xvii. The Company has incurred cash losses in the current and immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year. Accordingly, reporting under Clause 3(xviii) of the Order is not applicable.

xix. On the basis of the financial ratios disclosed in Note no. 52 to the financial statements, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all the liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due. Also, refer Note no. 60 to the financial statements and para 5 of our Independent Auditor's Report for the financial year ended March 31, 2026.

xx. In our opinion and according to the information and explanations given to us, Section 135 of the Act, regarding Corporate Social Responsibility (CSR) is not applicable to the Company. Accordingly, reporting under Clause 3(xx) of the Order is not applicable.

xxi. The reporting under Clause 3(xxi) of the Order is not applicable in respect of audit of these financial statements. Accordingly, no comment in respect of the said clause has been included in this report.

INDEPENDENT AUDITORS' REPORT

Annexure B to the Independent Auditor's Report

(Referred to in Paragraph 15(f) under the heading "Report on Other Legal and Regulatory Requirements" of our Independent Auditors' report of even date)

Report on the Internal Financial Controls with reference to the financial statements under Clause (i) of Sub-section 3 of section 143 of the Companies Act, 2013 (the "Act")

We have audited the Internal Financial Controls with reference to the financial statements of Shyam Century Ferrous Limited ("the Company") as at March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management and Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to the financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that: (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisation of the management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference

INDEPENDENT AUDITORS' REPORT

to financial statements and such internal financial controls were operating effectively as at March 31, 2026, based on the criteria for internal financial control with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes to Financial Statements for the year ended 31st March, 2026

Note 1: Material Accounting Policies for the year ended 31st March, 2026

Corporate Information

Shyam Century Ferrous Limited ("the Company") is a public company domiciled in India and incorporated on 12th April, 2011 under the provisions of the Companies Act, 1956 with its registered office in Village: Lumshnong, P.O.: Khaliehriat, District: East Jaintia Hills, Meghalaya – 793210. The Company is listed on the BSE Limited (BSE) and the National Stock Exchange of India Limited (NSE).

The Company is engaged in manufacturing of Ferro Alloys and generation of Power. The manufacturing unit is located at Byrnihat, Meghalaya. The company is selling its product across India.

The functional and presentation currency of the Company is Indian Rupee ("₹") which is the currency of the primary economic environment in which the Company operates and all the values are rounded off to the nearest two decimal places, unless otherwise indicated.

1. Material Accounting Policies

The material accounting policies applied by the Company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in the financial statements, unless otherwise indicated.

1.1 Statement of Compliance

The Financial Statements of the Company have been prepared to comply in all material aspect with the Indian Accounting standards (hereinafter referred to as the "Ind AS") notified under Section 133 of the Companies Act, 2013 (hereinafter referred to as "the Act"), notified under Section 133 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other relevant provisions and presentation requirements of Division II of Schedule III to the Act, as applicable, to the Financial Statements.

Effective 1st April 2025 the Company has applied the amendment to existing standards which has been notified by the Ministry of Corporate Affairs ("MCA"). The Companies (Indian Accounting Standards) Second Amendment Rules, 2025 on 13th August 2025 (published in the Official Gazette on 19th August 2025), introducing key amendment to Ind AS 7 and Ind AS 107 (Disclosures for supplier finance arrangements). This amendment primarily relates to the additional disclosures for supplier finance arrangements. The adoption of this amendment did not have a material impact on the measurement of the Company's assets or liabilities, though it resulted in enhanced disclosures in the financial statements.

These financial statements were approved for issue in accordance with the resolution of the Board of Directors on 22nd May, 2026.

The accounting policies are consistently followed by the Company and changes in accounting policy are separately disclosed.

1.2 Basis of Preparation

(i) Historical Cost Convention

The financial statements have been prepared on a historical cost basis, except for the following:

- Net defined benefit asset/liability which is fair value of plan assets less present value of defined benefit obligations
- Investment in bonds is measured at amortized cost
- Investment in equity shares is measured at fair value
- Certain financial assets and financial liabilities that are measured at fair value / amortized cost.

(ii) Current and non-current classification

The Company has ascertained its operating cycle as twelve months for the purpose of Current / Non-Current classification of its Assets and Liabilities.

For the purpose of Balance Sheet, an asset is classified as current if:

- It is expected to be realized, or is intended to be sold or consumed, in the normal operating cycle; or
- It is held primarily for the purpose of trading; or
- It is expected to realize the asset within twelve months after the reporting period; or
- The asset is a cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

Similarly, a liability is classified as current if:

- It is expected to be settled in the normal operating cycle; or
- It is held primarily for the purpose of trading; or
- It is due to be settled within twelve months after the reporting period; or
- The Company does not have an unconditional right to defer the settlement of the liability

Notes to Financial Statements for the year ended 31st March, 2026

for at least twelve months after the reporting period. Terms of liability that could result in its settlement by the issue of equity instruments at the option of the counterparty does not affect this classification.

All other liabilities are classified as non-current. Deferred tax assets and liabilities are classified as non-current only.

(iii) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

1.3 Use of Estimates and critical accounting judgements

The preparation of financial statements is in conformity with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013 which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future period. Revisions in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are summarised below:

(i) Classification of legal matters and tax litigation

Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/ claims/ litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy. (Refer Note No 46)

(ii) Defined benefit obligations

The cost of defined benefit plan and present value of such obligation are determined using actuarial valuation. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the long- term nature of the plan, such estimates are subject to significant uncertainty. All assumptions are reviewed at each reporting date. (Refer Note No 39)

(iii) Useful life of property, plant and equipment

The determination of depreciation and amortization charge depends on the useful lives for which judgements and estimations are required. The residual values, useful lives, and method of depreciation of property, plant and equipment and intangible assets are reviewed at each financial year end and adjusted prospectively, if appropriate. (Refer Note No 2)

(iv) Lease Accounting as per Ind AS 116

The Company has exercised judgement in determining the lease term as the non-cancellable term of the lease, together with the impact of options to extend or terminate the lease if it is reasonably certain to be exercised.

Where the implicit rate in the lease is not readily available, an incremental borrowing rate is applied. This incremental borrowing rate reflects the rate of interest that the lessee would have to pay to borrow over a similar term, with a similar security, the funds necessary to obtain an asset of a similar nature and value to the right of-use asset in a similar economic environment. Determination of the incremental borrowing rate requires estimation. (Refer Note No 2.2 & 42)

(v) Fair Value Measurement of Financial Instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model / Adjusted Net Assets Value method. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. (Refer Note No 41)

(vi) Allowance for expected credit losses

The Company recognizes an allowance for expected credit losses on financial assets measured at amortized cost. ECL is estimated using historical loss experience, current conditions, and forward-looking information. For trade receivables, lifetime expected credit losses are recognized using the simplified approach. Changes in the allowance are recognized in profit or loss, and financial assets are written off when recovery is no longer considered probable (Refer Note No 8.1 and 44 (A) (i))

(vii) Taxes

The tax expenses for the period comprise of current tax and deferred tax. The Company exercises judgement in computation of current tax considering the relevant rulings and reassesses the carrying amount of deferred tax assets at the end of each reporting period. (Refer Note No 36)

1.4 Foreign Currency Transactions and Balances

i) Functional and presentation currency

Items reported in the financial statements are measured using the currency of the primary economic environment in which the entity operates (the functional currency). The financial statements of the Company are presented in Indian Rupee ("₹") which is the functional and presentation currency of the Company.

ii) Transactions and balances

Foreign currency transactions are translated into the functional currency at the reporting date using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction.

1.5 Property, plant and equipment

Property, plant and equipment are stated at their cost of acquisition, installation or construction (net of any recoverable amount, wherever applicable) less accumulated depreciation, amortization and impairment losses if any, except freehold land which is carried at cost. Cost comprises the purchase price, installation and attributable cost of bringing the asset to working condition for its intended use.

Subsequent expenditures are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. When significant parts of plant and equipment are required to be replaced the Company depreciates them separately based on their specific useful lives. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Capital Work in Progress

Capital work in Progress is carried at cost comprising direct cost and includes any directly attributable cost incurred during construction period.

Property, plant and equipment not ready for their intended use as on the balance sheet date are disclosed as "Capital work-in-progress". Such items are classified to the appropriate category of property, plant and equipment when completed and ready for their intended use. Advances given towards acquisition/ construction of property, plant and equipment outstanding at each balance sheet date are disclosed as Capital Advances under "Other non-current assets".

Depreciation

Depreciation on property, plant and equipment is provided on written down value method in accordance with the provisions of Schedule II to the Act, 2013 and considering the useful lives for computing depreciation specified in Part 'C', thereof. Depreciation is provided on components that have homogenous useful lives by using the WDV method so as to depreciate the initial

Notes to Financial Statements for the year ended 31st March, 2026

cost down to the residual value over the estimated useful lives. Useful lives, components and residual amounts are reviewed annually.

In respect of an asset for which impairment loss is recognized, depreciation is provided on the revised carrying amount of the assets over its remaining useful life. Depreciation method, useful life and residual values are reviewed at each financial year end and adjusted if appropriate. Estimated useful lives so determined are as follows:

Assets	Useful Lives
Buildings	3 - 60 years
Plant and machinery	3 - 45 years
Furniture and office equipment	3 - 10 years
Electrical Installation	3 - 10 years
Vehicles	8 - 15 years
Computer	3 - 6 years

Derecognition of property, plant and equipment

An item of Property, Plant and Equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in the Statement of Profit and Loss when the asset is derecognised.

Intangible Asset

An intangible asset is recognized when it is probable that the future economic benefits that are attributable to the asset will flow to the Company and the cost of the asset can be measured reliably. The depreciable amount of an intangible asset is allocated over its estimated useful life. Expenditure on purchased software and IT related expenditure are written off over a period of three years.

Impairment of non-financial assets

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal / external factors. An impairment loss will be recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to the present value by using weighted average cost of capital. A previously recognized impairment loss is further provided or reversed depending on changes in circumstances.

1.6 Research and Development Expenditure

Research expenditure is recognised as an expense when it is incurred. Development costs are capitalised only after the technical and commercial feasibility of the asset for sale or use has been established. Thereafter, all directly attributable expenditure incurred to prepare the asset for its intended use are recognised as the cost of such assets.

1.7 Lease

As a Lessee:

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognizes lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

The Company recognizes right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are initially measured at cost. The cost of right-of-use assets includes the amount of lease liabilities recognized, initial direct costs incurred, an estimate of costs to be incurred in dismantling and removing or restoring the underlying asset and lease payments made at or before the commencement date less any lease incentives received. After the commencement date, the Right-of-use assets are measured applying the Cost model. They are subsequently measured at cost, less any accumulated depreciation, adjustments for any remeasurement of the lease liabilities and impairment losses. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

At the commencement date of the lease, the Company recognizes lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is

re-measured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

As a Lessor:

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the Balance Sheet based on their nature.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership are transferred from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease. Operating lease payments are recognised as an income in the Statement of Profit and Loss on a straight-line basis over the lease term, unless the receipt from lessee is structured to increase in line with expected general inflation and compensate for the lessor's expected inflation cost increase.

1.8 Government Grants and subsidies

Government grants / subsidies are recognized when there is reasonable certainty that the same will be received. Revenue grants, if any, granted by way of recoupment / reimbursement of any item of expenditure are recognized in the Statement of Profit and Loss by way of deduction from related item of expenses. Grants related to assets which are recognized in the Balance Sheet as deferred income, are recognized to the Statement of Profit and Loss on a systematic basis over the useful life of the related assets by netting off with the related expense.

1.9 Inventories

Raw materials, stores and spare parts, fuel and packing material:

Raw materials, stores and spares and fuel and packing material are valued at lower of cost or net realisable value. Cost includes purchase price, other costs incurred in bringing the inventories to their present location and condition, and taxes for which credit is not available. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on FIFO basis.

Work-in-progress and finished goods:

Work-in-progress and finished goods are valued at lower of cost or net realisable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity, but excluding borrowing costs. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

1.10 Investments and other financial assets

Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income or through profit or loss), and
- those measured at amortised cost

The classification depends on the company's business model for managing the financial assets and the contractual terms of cash flows.

Measurement

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the Statement of Profit and Loss.

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its debt instruments into the following categories:

- **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in finance income using the effective interest rate method.
- **Fair value through other comprehensive income (FVOCI):** Assets that are held for collections of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and

Notes to Financial Statements for the year ended 31st March, 2026

interest, are measured at fair value through other comprehensive income (FVOCI). Interest income from these financial assets is included in other income using the effective interest rate method.

- **Fair value through profit or loss (FVTPL)** : Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. Interest income from these financial assets is included in other income.

Equity instruments

The Company subsequently measures all equity investments (except subsidiary, associate and joint venture) at fair value through profit or loss. However, where the Company's management makes an irrevocable choice on initial recognition to present fair value gains and losses on specific equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to the Statement of Profit and Loss.

Impairment of financial assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Derecognition of financial assets

A financial asset is derecognised only when

- The Company has transferred the rights to receive cash flows from the financial asset, or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset.

1.11 Trade receivables

Trade receivables that do not contain any significant financing component are recognized initially at transaction price. Upon initial recognition of a receivable from a contract with a customer, any difference between the measurement of the receivable in accordance with Ind AS 109 and the corresponding amount of revenue recognised shall be presented as an expense. Subsequently, the trade receivables are measured at cost less expected credit losses. The Company calculates the expected credit losses on trade receivables using a provision matrix on the basis of its historical credit loss experience. The Company follows the simplified approach permitted by Ind AS 109 – Financial Instruments for recognition of impairment loss allowance. The loss allowance is measured at an amount equal to lifetime expected credit losses.

1.12 Cash and Cash equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at bank, cash on hand, demand deposits with Banks and other short-term highly liquid investments / deposits that are readily convertible into cash which are subject to insignificant risk of changes in value with an original maturity of three months or less.

1.13 Non-current assets held for sale

Non-current assets and disposal groups are classified as held for sale if their carrying amount will be recovered through a sale transaction rather than through continuing use. This condition is regarded as met only when the sale is highly probable and the asset (or disposal group) is available for immediate sale in its present condition. Management must be committed to the sale which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets and disposal groups classified as held for sale are not depreciated and are measured at the lower of carrying amount and fair value less costs to sell. Such assets and disposal groups are presented separately on the face of the balance sheet.

1.14 Financial liabilities

Initial recognition and measurement

The Company recognises all the financial liabilities on initial recognition at fair value minus, in the case of a financial liability not at fair value through Profit or Loss, transaction costs that are directly attributable to the acquisition or issue of the financial liability.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and financial guarantee contracts.

Subsequent measurement

All the financial liabilities are classified as subsequently

measured at amortised cost, except for those measured at fair value through profit or loss.

De-recognition of financial liabilities

The Company de-recognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

1.15 Borrowing

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the effective interest method.

Borrowings are removed from the Balance Sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in the Statement of Profit and Loss as other income or finance costs.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

1.16 Borrowing Costs

Borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset is capitalized as part of cost of such asset till such time the asset is ready for its intended use. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use. All other borrowing costs are recognized as expense in the period in which they are incurred. Borrowing cost includes exchange differences arising from relevant foreign currency borrowings to the extent that they are regarded as an adjustment to the interest cost.

1.17 Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

1.18 Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

1.19 Revenue Recognition

(A) Sale of Goods

Sales are recognised when control of the goods has been transferred. Sales are accounted when the products are delivered to the customers. Delivery occurs when the products have been shipped or delivered to the specific location as the case may be, the risks of obsolescence and loss have been transferred and either the customer has accepted the products in accordance with the sales contract or the acceptance provisions have lapsed or the Company has objective evidence that all criteria for acceptance have been satisfied.

Revenue from these sales are recognised based on the price specified in the contract, which is generally fixed, net of the estimated volume discount. No element of financing is deemed present as the sales are generally made with a credit term of 30 days or against receipt of advance which is consistent with market practice. The Company does not have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, the Company is required to adjust any of the transaction prices for the time value of money. Revenue includes consideration received or receivable but excludes Goods and Service Taxes, and are net of discounts and rebates. A receivable is recognised when the goods are delivered as this is the point in time that the

Notes to Financial Statements for the year ended 31st March, 2026

consideration is unconditional because only the passage of time is required before the payment is due.

(B) Other Income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Dividend income is recognised when right to receive is established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

1.20 Employee benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

(ii) Defined Contribution Plan

Retirement benefit in the form of Provident Fund is a defined contribution scheme and is charged to the Statement of Profit and Loss for the year when the contributions to the respective funds are due.

(iii) Defined Benefit Plan

Gratuity liability, being a defined benefit obligation, is provided for on the basis of an actuarial valuation on projected unit credit method as at the date of the Balance Sheet.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the Statement of Changes in Equity and in the Balance Sheet.

(iv) Other Long-term benefits

Short term compensated absences are provided for based on estimates. Long term compensated absences are provided for based on actuarial valuation which is done as per projected unit credit method as at the date of the Balance Sheet.

1.21 Taxation

Tax expenses comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are not recognised for temporary differences between the carrying amount and tax bases of investments in subsidiaries, branches and associates and interest in joint arrangements where it is not probable that the differences will reverse in the foreseeable future and taxable profit will not be available against which the temporary difference can be utilised.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

The deferred tax in respect of temporary differences which originate during the tax holiday period and is likely to reverse during the tax holiday period, is

not recognized to the extent income is subject to deduction during the tax holiday period as per the requirements of the Income Tax Act, 1961.

1.22 Earnings per Share

Basic Earnings per Share is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deductible preference dividend and attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effect of all dilutive potential equity shares.

1.23 Provisions and Contingencies

A Provision is recognized for a present obligation as a result of past events if it is probable that an outflow of resources will be required to settle the obligation and in respect of which a reliable estimate can be made. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense. Liabilities which are material and whose future outcome cannot be ascertained with reasonable certainty are treated as contingent and disclosed by way of notes to the accounts.

1.24 Segment Reporting

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the Company's Chief Operating Decision Maker ("CODM") to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the CODM evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

1.25 Dividends

Dividends paid (including dividend distribution tax thereon) is recognized in the period in which the interim dividends are approved by the Board of Directors, or in respect of the final dividend when approved by shareholders. The amount is recognised directly in equity.

1.26 Recent pronouncements

A. Adoption of New Accounting Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On 31st March, 2026, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

i) Ind AS 1 – Presentation of Financial Statements

This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after 1st April, 2025. The Company does not expect this amendment to have any significant impact in its financial statements.

ii) Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors

This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after 1st April, 2025. The Company does not expect this amendment to have any significant impact in its financial statements.

iii) Ind AS 12 – Income Taxes

This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after 1st April, 2025. The Company does not expect this amendment to have any significant impact in its financial statements.

B. Standards issued but not yet effective

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year ended 31st March, 2026, MCA has not notified any new standards or amendments to existing standard to the Company.

Note: 39 - Employees Benefit obligations

(i) Defined Contribution Plans

The Company makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards Provident and Pension Fund and Employee State Insurance ('ESI') which are defined contribution plans. The Company has no obligations other than to make the specified contributions. The contributions are recognised in the Standalone Statement of Profit and Loss as they accrue.

	Current	Non-Current	Current	Non-Current
Leave Encashment	0.08	3.10	0.68	11.79
Gratuity	0.18	9.55	4.23	68.37

The defined benefit plans expose the Group to a number of actuarial risks as below:

(a) Interest risk: A decrease in the interest rate on plan assets will increase the plan liability.

(b) Life expectancy: The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and at the end of the employment. An increase in the life expectancy of the plan participants will increase the plan liability.

(c) Salary growth risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. An increase in the salary of the plan participants will increase the plan liability.

(iii) Leave Encashment

The liabilities for leave encashment are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of the expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the Projected Unit Credit Method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in Other Comprehensive Income.

E. Sensitivity

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

(₹ in Lakhs)

Particulars	Impact on defined benefit obligation			
	31st March, 2026		31st March, 2025	
	Increase	Decrease	Increase	Decrease
Discount rate (-/+ 1%)	2.95	3.44	11.32	13.81
Salary growth rate (-/+ 1%)	3.43	2.96	13.79	11.31
Withdrawal rate (-/+ 1%)	3.18	3.18	12.43	12.51

The above sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity

of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitvity analysis did not change compared to the prior period.

F. Maturity

The weighted average duration of the defined benefit obligation is 4.53 years (31st March, 2025 : 5.36 years). The expected maturity analysis of undiscounted gratuity is as follows:

(₹ in Lakhs)

Particulars	31st March, 2026	31st March, 2025

Next 5 Years	1.00	3.38

G. Expected contributions to post-employment benefits plans for the year ending 31st March, 2027 is ₹ 1.81 Lakh.

(iv) Gratuity

The Company provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service.

(i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

(ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the fair value of investment in quoted equity shares and mutual funds is measured at quoted price or NAV.

- the fair value of investment in bonds is measured at amortised cost.

(iii) Fair value of financial assets and liabilities measured at fair value - recurring fair value measurements

(iv) Significant Estimates

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Group uses its judgement to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period.

Note: 42 - Lease Liabilities

(a) The Company has lease contracts for land. The Company's obligations under leases are secured by the lessor's title to the leased assets.

(b) The Company has elected to apply Ind AS 116 to its leases with modified retrospective approach. Under this approach, the company has recognised lease liabilities and corresponding right of use assets. Depreciation expenses on right of use assets and finance cost for interest accrued on such lease liability have been recognized in the Statement of Profit and Loss for the year ended 31st March, 2026.

Notes to Financial Statements for the year ended 31st March, 2026

Note: 43 - Capital Management

The Company's objectives when managing capital are to:

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

The amount mentioned under total equity in balance sheet is considered as Capital.

No changes were made to the objective, policies or process for managing capital during the year ended 31st March, 2026 and 31st March, 2025.

The Company monitors the Capital using debt-equity ratio, which is total debts less investments divided by total equity:

Note: 44 - Financial Risk Management

The Company's activities are exposed to a variety of financial risks: credit risk, liquidity risk and market risk (i.e. foreign currency risk, interest rate risk and price risk).

Risk Management Framework

The Company's principal financial liabilities, other than derivatives, comprises of borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company operations. The Company's principal financial assets, other than derivatives include trade and other receivables, investments and cash and cash equivalents that derive directly from its operations. The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company's primary risk management focus is to minimise potential adverse effects of market risk on its financial performance. The Company uses derivative financial instruments to mitigate foreign exchange related risk exposures. The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer and the concentration of risk from the top few customers. The Company's risk management assessment and policies and processes are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. This note presents information about the Company's exposure to each of the above risks, the Company's objectives, policies and processes for measuring and managing risk, and the Company's management of capital. The key risks and mitigating actions are also placed before the audit committee of the Company.

(A) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables).

(i) Trade receivables

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Trade receivables are non-interest bearing and are generally carrying 30 days credit terms. Outstanding customer receivables are regularly monitored. The Company has no concentration of credit risk as the customer base is widely distributed both economically and geographically. The ageing of trade receivables as of balance sheet date is given below. The age analysis have been considered from the due date:

(₹ in Lakhs)

Carrying amount of trade receicable (net of expected credit loss provision)	308.69	-	398.62	10.80	111.51	9.76	839.38

(ii) Financial instruments and deposits

Credit risk from balances with banks and financial institutions is managed by the Company's finance department. For banks and financial institutions, only high rated banks/institutions are accepted.

Financial assets are considered to be of good quality and there is no significant credit risk.

The Company's maximum exposure to credit risk for the components of the balance sheet at 31st March, 2026 and 31st March, 2025 is the carrying amounts as illustrated in Note No. 40

(B) Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the underlying business, the Company maintains sufficient cash and liquid investments available to meet its obligation.

Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows. The management also considers the cash flows projection and level of liquid assets necessary to meet these on a regular basis.

(i) Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

(₹ in Lakhs)

Particulars	31st March, 2026	31st March, 2025
Floating Rate		
- Expiring within one year (cash credit and other facilities)	3,400.00	3,048.67
	3,400.00	**3,048.67**

The cash credit facilities may be drawn at any time and may be terminated by the bank without notice. Subject to the continuance of satisfactory credit ratings, the bank loan facilities may be drawn at any time in INR.

Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for all financial liabilities.

Notes to Financial Statements for the year ended 31st March, 2026

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Total financial liabilities	**1,273.23**	**16.84**	**77.87**	**19.31**	**1,387.25**

(C) Market risk – Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company's main interest rate risk arises from borrowings with variable rates, which expose the Company to cash flow interest rate risk. During 31st March 2026, the Company's borrowings at variable rate were denominated in INR.

(a) Interest rate risk exposure

On Financial Liabilities:

The exposure of the Company's financial liabilities to interest rate risk is as follows:

(₹ in Lakhs)

Particulars	31st March, 2026	31st March, 2025
Variable rate borrowings	-	351.34
Fixed rate borrowings	-	-
Total borrowings	**-**	**351.34**

(b) Sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates as below:

(₹ in Lakhs)

Particulars	Impact on profit before tax	
	31st March, 2026	31st March, 2025
Interest expense rates – increase by 50 basis points (2025: 50 bps)*	-	(1.76)
Interest expense rates – decrease by 50 basis points (2025: 50 bps)*	-	1.76

* Holding all other variables constant

(D) Market risk – Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates.

Further foreign exchange risk also arises from future cash flow against foreign currency loan. The risk is measured through a forecast of highly probable foreign currency cash flows.

(E) Market risk – Price risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer or by factors affecting all similar financial instruments traded in the market.

Note: 46 - Contingent Liabilities

(₹ in Lakhs)

Particulars	31st March, 2026	31st March, 2025
Claims against the Company not acknowledged as debts-		
Royalty, MEPRF, GST/VAT	2,184.80	2,184.80
Income Tax	-	20.21
Meghalaya Power Distribution Company Limited	-	739.97
Total	**2,184.80**	**2,944.98**

(a) In respect of demand notice dated 19th February, 2020 received by the Company from Director of Mineral Resources, Meghalaya, for payment of royalty, MEPRF, VAT/GST for ₹ 1,739 Lakhs (approx) in pursuance to the National Green Tribunal (NGT) Order dated 17th January, 2020 passed in O.A. No. 110(TCH)/2012 for alleged illegal coal procurement. By passing the said order NGT has accepted the Recommendation of the 5th Interim Report of the Independent Committee set up by NGT, which has suggested imposition of penalty on Cement Companies and Thermal Power Plants in Meghalaya. The Company has not purchased any illegal coal and has complied with all disclosure requirements of the various Government Departments. The Report of NGT Committee has been founded on the basis of assumptions and views of the Committee and not on hard facts. Further to note that the Company has neither been issued a show-cause nor any opportunity of being heard was given to the Company before submitting the Interim reports by the Independent Committee to NGT. Even NGT has not served any notice on the Company before passing the impugned order dated 17th January, 2020 which is clear violation of principles of natural justice. The Company backed by the legal opinions, believes that it has a good case in the matter as the said order was issued based on certain hypothetical assumptions and views and not on hard facts. No opportunity of being heard was

provided to the Company either by NGT committee or by NGT itself which passed order without going into the merits & facts and accepted the recommendations of 5th Interim Report. In addition, the Committee also recommended that an amount of ₹ 400/MT of coal to be utilized by the Company (and other plants) on or after the date of the order shall be directed to be deposited in the MEPRF, which comes to ₹ 446 lakhs(approx). Therefore, there is every likelihood of the Demand Notice and the order of the NGT being set aside. The Company has preferred an appeal before the Supreme Court of India against the NGT. The Hon'ble Supreme Court in its Order dated 2nd May, 2023 has set aside the Order of NGT and remand back the same to NGT for its further considerations. On 2nd Nov, 2023, the Company filed an application for impleadment which was allowed by the NGT, Eastern Zone Bench. Further, the Company has also filed a counter affidavit before the NGT, Eastern Zone Bench which was taken on record on 9th Feb, 2024. Pleadings in this matter stand completed. Pursuant to the order dated 7th April, 2026, the matter has been directed to be listed for final hearing on 14th July, 2026. Based on legal advice and management's assessment of the merits of the case, the Company believes that it has a reasonable likelihood of a favourable outcome. Accordingly, no provision has been made in the books of account.

(b) During the previous year, the Company had disclosed a contingent liability of ₹739.97 lakhs in respect of claims raised by Meghalaya Power Distribution Corporation Limited (MePDCL) towards electricity dues. During the year ended 31st March, 2026, pursuant to discussions, correspondence and settlement of the matter with MePDCL, the Company adjusted the security deposits and bank guarantees available with MePDCL and remitted the balance amount demanded.

Consequently, the claim stands fully settled and discharged, and no further obligation exists against the Company in respect of the said matter as at 31st March, 2026. Accordingly, no contingent liability is required to be disclosed in relation to this matter as at 31st March, 2026 (31st March, 2025: ₹739.97 lakhs).

Note: 47 - Corporate Social Responsibility

As per Section 135 of the Companies Act, 2013, a company, meeting the applicability threshold, needs to spend at least 2% of its average net profit for the immediately preceding three financial years on corporate social responsibility (CSR) activities. The areas for CSR activities are eradication of hunger and malnutrition, promoting education, art and culture, healthcare, destitute care and rehabilitation, environment sustainability, disaster relief and rural developments projects. The Company is incurring losses in the current and previous financial year and accordingly the Company is not required to spend on CSR activities.

A CSR Committee has been formed by Company as per the Companies Act, 2013.

Note: 58 Pursuant to Rule 2(2)(d) of the Companies (Restriction on number of Layers) Rules, 2017, the requirement of number of layers not applicable to the company.

Note: 59 The Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, there are no instance of audit trail feature being tampered and the audit trail has been preserved by the company as per the statutory requirements for record retention.

Note: 60 The Company ceased production at its manufacturing facility situated at EPIP, Rajabagan, Byrnihat, District-Ri-Bhoi, Meghalaya - 793101 with effect from 7th May 2025, pursuant to the strategic decision to discontinue its manufacturing business, which constituted the Company's sole operating segment. Despite the discontinuation of manufacturing operations, the Company continues to exist as a going concern and will earn interest income from its substantial investment portfolio, which is classified as "Other Income" in the Statement of Profit and Loss. The Company has a positive net worth and has sufficient liquid assets (investments) to meet its liabilities as and when they fall due. While the Company has incurred losses in the current financial year (2025-26) and the previous financial year (2024-25) primarily due to the discontinuation of its core manufacturing operations, the Management confirms that these losses do not cast significant doubt on the Company's ability to continue as a going concern. The Management has assessed the Company's ability to continue as a going concern for a period of at least twelve months from the date of the balance sheet (i.e., up to 31st March 2027) and has considered all available information including cash flow projections, the value of investment portfolio, and expected proceeds from the sale of assets classified as held for sale. The Management concludes that no material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern, and accordingly the financial statements have been prepared on a going concern basis in accordance with the applicable Ind AS. The Company is looking for new business opportunities and rightnow has no intention to liquidate as a business entity.

Note: 61 The company was primarily engaged in the manufacture and sale of ferro silicon. There are no reportable segments as per Ind AS 108,'Operating Segments.' The Company ceased its operations at its plant situated at EPIP, Rajabagan, Byrnihat, District-Ri-Bhoi, Meghalaya - 793101 with effect from 7th May, 2025 due to a significant increase in power tariffs, resulting in the operations becoming economically unviable. Accordingly, the Company's entire operations have been classified as discontinued operations in accordance with the applicable accounting standards.
